CLOTHES MAKE THE MEXICAN

Revenue Collector Would Doll up Force at Expense of Carranza

JUAREZ, Mex.—J. Felipe Valle, customs collector at this port, is a believer in the psychology of clothes. For this reason he has asked the Mexican secretariat of the treasury to allow him an appropriation of approximately 2,000 pesos for uniforms for himself and his inspectors.

"A dapper uniform tends to increase an official's self confidence," Senor Valle said. "It also is likely to keep the wearer out of gambling dens and saloons, for he does not wish to shame his uniform. Finally, an official-looking suit increases the respect of the public for law and order and for the man that is delegator to enforce it."

"Yes, I am a believer in the 'psicologia del traje'—the psychology of dress."

Ulster Co. Gazette Published Jan. 4, 1800

The Ulster County Gazette under date of Jan. 4, 1800 is an interesting issue of the paper which gives the detailed account of the illness, death and funeral services of George Washington. Mr. Webster of the firm of Webster and Barclay is the possessor of the paper which has been the property of his family for many years. The publication is a four column publication and is a fair example of the type of business and professional men doing business in those days. One item of interest in the advertisements of what we call to day the classified adds is to be found; "Stout Healthy Active, Negro Wench, any person inclined to purchase or to know the particulars, apply to John Shoonop, Jr. Rochester, Dec. 23 1799."

High School Band Concert Success Gate Receipts \$40

The High School band concert, at the senior high school building last night was called a marked success by those in attendance. The boys netted about \$40 which will be applied in buying new uniforms. A similar concert will be staged in the near future if present plans are carried out. Prof. Perfect is proving the right man for the place and Albany high school band will soon be among the best in the state. There is about twenty five in the organization this year, all a progressive class of students.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in uric acid so it is no longer a source of irritation, thus ending urinary and bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.
