—But Worth Much More—

They are splendid aprons made of Percales, Gingham, Amoskeag, Suiting and Chambray. Plain colors, stripes, checks and plaids in slip-on and side-closing styles. Some are collarless with round or square necks, while others have neat fitting collars. Bias tape trims some while others are trimmed with same or contrasting colors. We could not buy them now to sell at the prices these are marked. We would suggest you see them right away.

Notice:

TO OUR PATRONS AND THE PUBLIC—

We beg to announce that the Albany Lumber Company has changed ownership, but still remains under the former management.

We would therefore, request that all outstanding bills be paid on or before the 10th day of February, 1920, to avoid the necessity of turning over said accounts for collection.

We take this opportunity of thanking the public for its patronage, and to say that from now on we will be in a better position to serve our patrons.

Dated January 29, 1920.

JARS! JARS! JARS!

The greatest fruit jar sale ever offered the public since the war. You can hardly believe your eyes, but it is true. Just arrived, more than twenty thousand Mason jars, which we are offering the public cheaper than they can be bought at wholesale prices in Portland today. We are slashing the price right down to bed-rock. Buy now while you have the chance at these prices. You had many jars broken during the freeze. Now is the chance to get even on that freeze. Saturday and Monday are the days of the big sale. You will save from 20 to 25 cents per dozen on these jars by buying now.

A. C. FRESHMEN BEAT LEBANON

First Team to Meet Pacific
University Quintette
Tomorrow Night

Albany College has another victory to add to her long list of honors. It comes in the form of a 28 to 7 victory of her fast Rook quintet over the speedy Lebanon high school team. The game took place at Lebanon last night.

The passing of the Rooks was exceptionally good, while the work of their guards, Lawrence Geddings, kept the opposing forwards down to one field basket.

The first was very fast and rough in the first half. The end of the period found the score 15 to 3. Albany ahead. In the second half Albany marked up 5 field baskets and 3 face throws.

The Freshman team was in fine condition, putting up a far better game than expected. Wilcox, center, opened up in great fashion surprising even the most optimistic. A steady game was put up by Knauf & Kuhn at forwards.

The high school team worked well together but lacked experience and was unable to find the basket. The lineup was:
Knauf 2 F 6 Busey
Kuhn 17 F 0 Hauk
Wilcox 7 C 0 Snyder
Giddings 2 G 0 Kuhn
Lawrence 0 G 0 Stearns
Score A. C. Freshmen 28, Lebanon High School 6.

Albany College meets Pacific University of Forest Grove tomorrow night on the Y. M. C. A. floor in what promises to be the big game of the local season. Coach McNeal's local aggregation have shown so much improvement lately that they can be counted upon to show a wonderful game.

With Martin at center, Gildow and Irvin forwards and Starr and Giddings guards, Albany College is sure of a victory. Albany's late reorganization of the squad has worked wonders out of what has come a great new brand of ball.

COUNCIL STRIKES AT

(Continued from Page 1)

Johns and the city health officer was instructed to order the owners of the ditch to keep it free of refuse where it passes under the street on East First St.

Councilman J. H. Ralston referred to the matter of cleaning up the city's property on West Second St., tearing out the old jail and constructing a concrete jail together with a comfort station and improving the property. Several of the members of the council expressed themselves in favor of building comfort stations in various parts of the city and in providing the proper housing facilities for the city street department and for a new city jail.

Councilman Holloway asked that an ordinance be drawn preventing the building of private garages closer than six feet from the sidewalks. It was pointed out that with the increase in the number of machines and the recent increase in garage storage prices that an epidemic of private garage building would soon strike the city. It was said that to build a garage too close to the street is unfair and an imposition to adjacent property owners, and the city attorney was instructed to prepare the proper ordinance.

The annual report of City Treasurer H. B. Cusick showed that the receipts of the general fund last year were \$40,091.25, and that \$39,476.07 was paid out, leaving a balance of \$615.18. His report for the last quarter of 1919 was also read and placed on file. The accounting for the various funds shows that the city's finances are being handled in a satisfactory manner.
