"ONLY ONE THING BREAKS MY COLD!"

"That's Dr. King's New Discovery for fifty years a cold-breaker"

NOTHING but sustained quality and unfailing effectiveness can arouse such enthusiasm. Nothing but sure relief from stubborn colds and crushing new ones, grippe, throat-irritation, coughs, and croup could have made Dr. King's New Discovery the nationally popular and standard remedy it is today. Fifty years old and always reliable. Good for the whole family. A bottle in the medicine cabinet means a short-lived cold or cough. 60c. and \$1.20. All druggists.

Regular Bowels Is Health

Bowels that move spasmodically—free one day and stubborn the next—should be healthfully regulated by Dr. King's New Life Pills. In this way you keep the impurities of waste matter from circulating through the system by cleansing the bowels thoroughly and promoting the proper flow of bile.

Mild, comforting and always reliable, Dr. King's New Life Pills work with precision without the constipation results of violent purgatives. 25c. as stated at all druggists.

CHANGE OF POLICY

When the Albany Automobile, Truck and Tractor Show was first announced the plan was to give a plain exhibition of motor vehicles. But it was later decided to make the affair the equal to any on the coast, regardless of size, and present an entertainment that will be worth coming miles to see. For this, and other reasons, a change of a charge of—

25 cents admission

will be made. But you will not only see the finest display of cars, trucks and tractors that you could wish to see anywhere, but you will be entertained by high class talent.

The Multnomah Hotel Orchestra OF PORTLAND

will play every afternoon and evening and will furnish the music for the dance in the evening. Their jazz singer is a star. There will be vocal and instrumental music, vaudeville acts, and other stunts.
