VOL. XXXII.

ALBANY, LINN COUNTY, OREGON, FRIDAY, FEBRUARY 6 1920

No. 335

## ORGANIZED LABOR PLANS TO TAKE ACTIVE PART IN COMING ELECTION

General Committee of A. F. L. Meets in Washington Today and Formulates Plans.

## HITS AT CONGRESS

Every Trade and Craft in Country will be Called on to Vote for Men Favorable to Organized Labor.

WASHINGTON, Feb. 6. (By the Associated Press)—Plans for the most aggressive campaign ever waged by the American Federation of Labor were formulated today by the general committee comprising the executive council and heads of all departments of the federation.

The campaign will be conducted in connection with the general elections in November and will be aimed not only at members of congress who are unfriendly to labor, but also at unfriendly candidates for President, governor and state legislators.

Every trade and craft will be called upon to take up the fight in every section of the country and exert every effort to elect only such public officials as are favorable to the principles of organized labor.

## DEMOCRAT MAKES HIT WITH PICTURE

Photo of English Girl Here on Strange Missions Attracts Attention

"Do you mean to tell me that they receive pictures by telegraph?" said a man at dinner at the St. Francis hotel last evening, as he looked over the evening Democrat.

"There's the proff right before you," said the man across the table. The pair was discussing the picture of Miss Emily Knowles, the English girl who brought her baby to this

## INFLUENZA STILL BAD IN PORTLAND

Salem has 20 Cases and Two Deaths; Situation in Albany Improves

PORTLAND, Feb. 6.—A. P.—There were 57 new cases of influenza and one death.

SALEM, Feb. 6.—Health officers reported 20 new cases of influenza today and two deaths yesterday. Clinton Harper, a printer and Mrs. Charles E. Low, of Dundee.

The influenza situation in Albany is reported well in hand. No new cases were reported today, according to Chief of Police Catlin, and those having the disease are reported recovering rapidly.

## Police Raid Homes of Sinn Feiners

LONDONDERRY, Ireland, Feb. 6. (By A. P.)—British police and military authorities raided the homes of several Sinn Feiners here today and discovered a number of firearms and a considerable quantity of ammunition and explosives. Three arrests followed.

## Spokane May Be In New League

SPOKANE, Feb. 6. (By A. P.)—It is rumored that Pacific International league baseball teams will be organized here and in North Yakima. It has already been announced that Astoria, Vancouver, B. C., Tacoma and Seattle will be in the proposed league.

## Whiskey Being Imported by Airplane, Belief

PORTLAND, Feb. 6. (By A. P.)—The police believe that whiskey is being brought from Canada by airplane or seaplane, landing near the city at night. The goods are selling at \$300 a case. Several persons heard the plane Monday night. Much Canadian whiskey is being sold, police allege.

## NEUTRAL COURT MAY TRY HUNS

Germany May Surrender Subjects on Condition Court is Neutral

BERLIN, Feb. 6.—By A. P.—Germany will probably be willing to surrender its nationals charged with war crimes to be tried by a neutral court, if the entente agrees, the National Zeitung says.

The Swiss government is declared in readiness to arrange for such a tribunal. Field Marshal von Buelow said he would never surrender to the entente and said that others felt the same. Those on the allies list "only did their duty to the Fatherland" and extradition is an ignominy to which "no German would voluntarily submit."

A conference of party leaders tomorrow will determine whether the National Assembly will be called to consider the extradition situation. All prominent politicians condemn the allies' edict.

## Switzerland Follows Holland

GENEVA, Feb. 6.—Switzerland, it is reported, will follow Holland's precedent regarding the allies' demands for the extradition of Germans. Prince Rupprecht and others are now here.

San Francisco Man Named WASHINGTON, Feb. 6.—A. P.—The president today nominated Louis Titus, San Francisco attorney, as a member of the shipping board.

DODGE CAR FOR SALE—In first class condition, new tires, run 8000 miles. Inquire of S. C. Myers, Lebanon, Ore., Rt. 1. Phone F55, Lebanon Exchange. 67\*

## HIGHWAY OVER MOUNTAINS SEEMS ASSURED WITH APPROVAL OF THE MISSION GRANTED HIGHWAY COM

LINN COUNTY CITIZENS VISIT STATE BODY AND SECURE APPROVAL OF ALBANY-CASCADIA POST ROAD PROJECT AND CASCADIA FOREST ROAD PROPOSITION; SURVEY TO START NEXT WEEK.

Pleasing and encouraging reports were brought back from Portland last evening by a delegation of Linn County men who went to that city to interview the State Highway Commission with regard to the Albany-Cascadia road.

The committee reports that the commission approved the two plans presented for post and forest roads and will do everything in its power to secure government co-operation in getting a heavy duty road over the Cascade mountains.

The delegation was composed of Hon. F. J. Miller, Commissioner T. J. Butler, Postmaster C. H. Stewart, District Attorney Gale S. Hill, of Albany; A. M. Reeves and N. M. Newport, of Lebanon.

The Linn county men asked the highway commission to approve the plan for the post road from Albany to Cascadia, which was done in short order and a survey will be ordered at once to start next week.

Their next request was for the approval of the forest road project from Cascadia to the county line on the east. This was also granted by formal resolution. It will now go before the forestry department for its approval. The project has already been approved by forest officials in this state. It was pointed out that the road is necessary for the preservation of the vast timber resources of

the state, a good road making it possible to drive motor trucks into the mountains and get within fighting distance of the fires on short order.

The attention of the commission was called to the fact that Linn county last June voted \$104,000 to be spent on roads between Albany and Cascadia, to which the state will add like amount, both of which is to be matched by the government, making a total fund of \$416,000.

The delegation also took up with the commission the Pacific highway paying and was assured that Linn county will be paid this year from Jefferson to Harrisburg if the \$10,000,000 bond issue is passed by the people on May 4.

Members of the commission said that the only thing to interfere with the construction of the highway would be the failure of the issue to pass. If this money is available the state will be able to complete every project which it now has under way. The unpaved gaps on the Pacific highway total about 150 miles, which shows that more than half of the distance to the state line is already under hard surface.

No more contracts will be let until after the election and it is determined whether or not the bonds will carry. The members of the party were greatly pleased with the attitude of the commission and with the pleasant and respectful manner in which the local case was received.

## NEW EDUCATION PUBLIC SCHOOLS SYSTEM IN EFFECT END FIRST TERM

Classes Begin February 10; Academic and Vocational Subjects Taught

Inauguration of classes for academic and vocational training as provided for by the recent act of the state legislature, which makes additional education for all persons between the ages of 16 and 18, who have not completed the eighth grade in the elementary schools, compulsory, will begin next Tuesday, February 10, at the Senior high school. The work is under the direction of Newton Doring, state director of vocational training.

The law compels absolute attendance of all boys and girls between the ages of 16 to 18 who have not completed the eighth grade. Others desiring to attend may do so at their option.

Classes will be held two days a week between the hours of 3:30 and 6 o'clock. Subjects are divided into two branches, academic and vocational. Pupils will be permitted to choose their branch.

English, spelling, letter writing and kindred subjects will be specialized in by those selecting the academic course. Professor O. D. Byers will be the instructor for the boys and Miss Minnie McCourt for the girls.

Manual training and various kinds of shop work as well as the domestic sciences will be taught in the vocational classes which will be under the guidance of Professor Mertzler and Miss Madeline Rawlings.

Twenty-five minutes will be devoted each week to physical training for the students of all classes and a like amount of time each to lectures on the promotion of public health and public safety.

Wireless telegraphy is more effective and travels farther in the dark than in daylight. The light has a retarding influence on the waves.

Cattle herders in South Dakota sometimes live in houses made of baled hay, built in the manner of a block house.

Indianapolis has added four policemen to its local force. Women now possess full suffrage rights in twenty-one countries.

This afternoon marked the close of the first half of the year's work in Albany public schools. The students are receiving their grades of promotion or demotion and will begin the new term Monday morning for another eighteen weeks work.

All children who will be six years old on or before the first of April will be admitted at this time. It has been a time honored custom by the board to admit beginners in the first grade but twice each year as it has been found practically impossible to admit them only at such times as the new primary grades were established. The attendance in the schools of Albany this year is the largest in the history of the city. The part time school will be opened Tuesday of next week which is explained in part in this issue of the paper.

## United Brethren To Hold Sunday School Classes

All arrangements are now complete for the Sunday School Institute at Grace church Saturday and Sunday, Feb. 7 and 8. First service at 1:30 p. m. Saturday, then again at 7:30. Sunday school at regular hour 9:30 a. m. Elder Fennell will speak at 11. Institute work 1:30 to 3 p. m. Closing with the evening service at 7:30 p. m.

Stereopticon lectures at both evening sessions on such subjects as "World Reconstruction and the Forward Movement," "Tobacco and cigarettes," "The New Day in Religious Education" and other subjects will be "The Boy and His Lord," "The Surprised Young Man" and "The Biggest and Best Paying Business."

## Continued Storm Forecast

WASHINGTON, Feb. 6.—Reports from the weather bureau indicate that the Atlantic coast will continue to suffer from snow and high winds for another 24 hours.

## Annual Motor Edition to Be Out Tomorrow

Do you know how many automobiles there are in Linn County, or in the State of Oregon? Do you know what percentage of the people own cars? Do you realize that Albany has the best garages in the state? Do you know what the automobile industry means to this locality?

There may be a lot you do not know, but this may easily be remedied by reading the Democrat's

## Automotive Edition

which will be off the press tomorrow. It will contain about 40 pages, perhaps more, perhaps less, and will be brimful of information and news about the automobile, truck, tractor and motorcycle game.

It will also be an excellent advertisement for Albany. Get a few copies to send to friends in the east. The supply is limited and already many have been ordered. The price is but five cents, less than the cost of the paper it contains.

## Secretary of State Up to Date on Auto Licenses

Sheriff Kendall received a letter from the secretary of state today, announcing that all applications for automobile licenses have been issued, and that the work of the office is up to date, and that there is no excuse for automobile owners not receiving licenses promptly on application. It appears that a number of automobile owners have been running their cars without a license giving as an excuse that they could not receive the license from the state office. The officers will now enforce the license law and those who have been on the pike without authority are warned to beware of the transgressor.

## Car Load of Chevrolts

The C. H. Murphey Motor Company received another car load of Chevrolet cars yesterday for their customers who are always hanging on the gate for one more car.

## JURORS GIVEN TIME TO CLOSE

Court Adjourns at Montesano Until This Afternoon; Statement Tomorrow

MONTESANO, Wash. Feb. 6. (By A. P.)—Court adjourned last night until this afternoon to permit the jurors to close their personal affairs preparatory to being locked up for several weeks. The jury was sequestered late yesterday afternoon. Two alternates to act if the jurors become ill will probably be selected today.

It is expected that County Attorney Herman Allen, of Centralia, will deliver the opening statement tomorrow. The jury will likely be taken to Centralia to view the location of the shooting sometime next week.

## O. A. C. Alumni And Ex-Students Are to Organize

Alumni and ex-students of O. A. C. residing in Albany, will meet tonight at 7:30 at the public library for the purpose of organizing an O. A. C. alumni association in this city.

The meeting is called by "Pete" Anderson former O. A. C. gridiron star at the urgent request of President Kerr, who is appealing to graduates of the Agricultural college throughout the state to organize and support the measure to maintain the permanent yearly tax to fix the state institutions of learning, which will be passed upon by voters at the coming election in March.

Plans will also be laid this evening to organize all the alumni and ex-students of O. A. C. residing in Linn county outside of Albany.

WANTED—A girl or middle aged woman to do house work. Mrs. Ray Lendele, Corvallis, Ore. Rt. 1. Phone 46-F-13 67\*

## LIVES IMPERILLED AS STEAMSHIP FOUNDERS OFF ATLANTIC COAST

Doomed Vessel Awaits Arrival of Other Craft to Transfer Her Crew and the Passengers.

## TEMPEST CONTINUES

Violence of Atlantic Coast Storm Paralyzes Coastwise Shipping and Does Millions Damage.

NEW YORK, Feb. 6. (By Associated Press)—The steamship Princess Anne, carrying 32 passengers and a crew of 72, enroute from Norfolk to New York is reported aground in a violent storm one mile off the coast of Rockaway Point.

A number of vessels have gone to the aid of the stranded craft, which is in imminent danger of breaking up through the violence of the gale. All attempts of the coast guard boats to reach the steamer have failed and rescue of the passengers and crew depends upon succoring vessels.

Storm Loses Millions NE WYORK, Feb. 6.—The gale and high tides which have been lashing the North Atlantic coast for the past

(Continued on Page 6)

## SECOND DEBATE IS THIS EVENING

Albany to Meet Salem Team Here in State League Series

The second triangular debate between Salem, Silverton and Albany high schools will be staged this evening. Albany's affirmative team, Harold and Edward Sox, are to debate the Silverton team at Silverton.

The negative speakers, Harold Hoflich and Glenn Jackson, will debate the Salem affirmative team at the senior high school here. These debates are open to the general public and should be encouraged. Rev. J. C. Spencer, of this city will act as chairman this evening and the judges are all O. A. C. men, Prof. Peterson, Caldwell, and Lemon. Subject for discussion, "Resolved that all foreign immigration should be prohibited in the United States for a period of five years."

## Oregon Farmer Editors Here From Spokane, Wash.

Horace Addis Field Editor and H. L. Lee, traveling investigator of the Pacific Northwest Farm Trio were Albany visitors today. The Oregon Farmer the Washington Farmer and the Idaho Farmer are all printed by the same firm at Spokane and have a wide circulation in these states and is also one of the advertising agencies in the East of the great resources of the Northwest.

## C. OF C. BANQUET AT 6:30 TONIGHT

About one hundred and fifty tickets have been sold for the Chamber of Commerce Banquet and program at the Albany hotel tonight, beginning at 6:30 sharp.

Prominent speakers from Corvallis, Eugene and Salem, with Albany speakers are on the list for the discussion of ways and means for the good of the order. The gates are still open for those to attend who have not bought a ticket.
