## Sporting Notes

Fish is the star swimmer of the Naval Academy. They're all great swimmers.

Having disposed of "Babe" Ruth, President Frazee now has only 18 of the Red Sox to sign up for the coming season.

Anyway, they can't blame Charles W. Murphy, former boss of the Cubs, for the many baseball squabbles now being aired in the big leagues.

The local basketball team will wear their new shirts on Friday night. The trousers have not yet arrived—Michigan City News. Zero weather, too.

Perhaps the fact that Fred Fulton got \$2,000 for bonding Tom Cowler on the floor caused the Minnesota heavy-weight of office to fight Jack Dempsey for nothing.

Word from California has it that Jim Jeffries has produced a new species of eorn. No doubt this will put the old champion on his feet.

One pleasant feature about playing soccer at this time of year is that some one else has to remove all the

snow from the field before the game.

The only difference between school-boy shinney and varsity hockey is the varsity's ability to swing harder and land oftener on their opponents.

After seeing pictures of the Dempsey-Willard fight the English ring critics declare that Willard would have won had the fight taken place in England. Must have been trick pictures.

This talk about the Yankees copping the world's series this year does not interest the Huggins pastimers to any great extent. They haven't collected their bit of the 1919 world's series money.

There is a noticeable change in the style of play of the rookie wonders signed by the "higher ups" nowadays. Previous to this year the youngsters were second Ty Cobbs, but now they all hit like "Babe" Ruth.

Something like 84 would-be managers are pestering Young Bob Fitzsimmons to hook up with them and they'll make him champion of the world. So far the son of the former champion has done his own piloting.

Georges Carpenter now holds the Gant Gold Cup, the world's heavy-weight championship trophy. This means that, with the exception of Jack Dempsey, Georges is champion of the world.

Looks like the interview with President Stoneham of the New York Giants, in which he was quoted as saying that all of the Giants will be given substantial raises in salary, was put a little too strong to suit the Giants' boss and all the other big league moguls.

"Stan" Zbyszko, whose real name is Stanislaw Zbyszko Cyganiewicz, the great Polish wrestler and brother of Wladek Zbyszko, is due to reach America this month. With two Zbyszko Cyganiewiczs in the game at the same time, writing grappling news will be a fine job.

## Daily Fashion Hints

A Bed Jacket

One bow to tie and behold—she is ready to be charming for her negligee is nothing more in the world than a satin cape discreetly pleated to shape and edged about with real fillet lace. Pale flesh is the color and her little cap matches in shade though it has chosen to be of Georgette tucked in barred design and lace edged. A ribbon finishes the top.

## Albany and Salem High School Teams Debate Question

Salem and Albany high school debating teams are to lock horns tomorrow night in the two cities on the question, "Resolved that all foreign immigration into the United States should be prohibited for a period of five years." The affirmative team of the Salem school is to come to Albany and the affirmative Albany team is to go to Salem. Carl and Edward Sox represents the affirmative at Salem and Harold Hofflich and Glenn Jackson is to appear on the negative here. The debate is to be held at the senior school building at 7:30 to which the general public is invited.

## Maccabees Notice

The January assessment is past due, please call and pay.—E. C. SMITH, R. K., 210 West 3rd St. 5f7

In Siam some of the women intrust their children to the care of elephant nurses, and it is said that the trust is never betrayed. The babies play about the huge feet of the elephants, who are very careful never to hurt their little charges.
