

White Goods

Our showing of the popular cotton fabrics offer most delightful possibilities to those planning ward- robes for warm weather, sheer craps, new and of a quality that adds pleasure to an early selection.

Organdies, Voiles, Flaxons, Marquesette, Swisses, Batiste, Gaberdines, Popline, Fancy Skirtings, etc., are here in the best showing we have ever offered, and the prices, if based on the wholesale cost today, would be considerable more than we are asking. Come in and see them, you will want to start your spring sewing right away.

FLOOD'S STORE

Returned from Portland—

Miss Edna Smith has returned from Portland where she went to attend to some buying for her spring stock of millinery. Mrs. Edna McCaul, of the Smith Sisters Store, is still in the metropolis selecting the best in the

wholesale market for the local trade.

Meeting Postponed—

The G. A. R. meeting which was to have been held Thursday has been postponed on account of the Auto Show.

DARE-DEVIL IS SEEN IN PICTURES

Elgin Six Stages Show and Movie Performance of its Own

Lee L. Gilbert, Western Oregon distributor for the Elgin Six and Harroun Four, who arrived in Albany Monday, was very much disappointed to learn that he would not be permitted to show his line at the automobile show.

So Mr. Gilbert got his dander up and decided to put on a show of his own. He engaged the services of Joe Rieg, expert decorator, to dress up the Elgin Six sales room at 415 Lyon Street. He also made arrangements to put on an added attraction at the Globe Theatre which consists of 2,000 feet of pictures showing the Elgin Six jumping army trenches before officials of the U. S. government at Fort Sheridan, Ill., as well as several other nervebreaking stunts performed by the Elgin Six driven by the greatest dare-devil driver in the world, Elmer Ryder.

This attraction, which will be shown at the Globe tonight, Thursday and Friday is well worth the price of admission. Don't fail to see Elmer Ryder, the dare-devil driver at the Globe at regular performances and then see this wonderful champion at 415 Lyon Street. F11.

SHARE OF PROFITS (Continued From Page 1)

the notes for the preferred and common stock of the company at the option of the holder.

"Although this is something new for us it is an innovation which has already proved successful at other properties managed by the Byllesby Organization," said Mr. Brewer. "During the past few years something like 12,000 people served by these companies have become financial partners as well, and I believe that the first case of dissatisfaction with the investment is yet to be reported."

As long as we have to make extensions and improvements we have to secure new capital and our home people might just as well have the opportunity to invest as outsiders. Our company is in good shape in every way, its business is growing rapidly and we are able to offer a sound investment paying a regular and satisfactory rate of return."
