

CHANDLER SIX

Famous For Its Marvelous Motor

Thousands Choose The Chandler Dispatch

MANY admirers of the Chandler Six choose the Chandler Dispatch. For two years this model has outsold all other cars of the so-called sport type. Its popularity is one of the high spots in motordom.

The new series Dispatch is a snappy, handsome car, seating four adults in perfect comfort. It is of most beautiful design and finish; mounted on the standard Chandler Chassis, famous for its mechanical excellence.

You are asked to pay much more for cars which might perhaps be compared with the Chandler. And cheap cars sell for but little less.

Clever Auto Window Shown

A clever window display suggestive of the automobile show was unveiled today at the McDowell Shoe Company store. The window is represented as being lighted by wireless electricity, two wireless receiving antennae in miniature being placed, one of which is connected with a storage battery. The other antenna is connected with a spot light, in which a small light burns.

The automobile and shoe industry are shown by the treads of tires and shoes, the proper wearing points on both being shown. Shoes are grouped about the display, making an artistic showing. The work was originated and carried out by Arch Metzger.

EVANS ENTHRALLS YOUTHFUL HEARERS

"Many a girl finds after the ice is broken that she has fallen in with a cheap skate".

"There is no wisdom to equal that of the young buck when a few hairs appear on the upper horizon of his lip."

Bruce Evans continues to draw record crowds at the Baptist Church. Many have gone forward at the invitation of the evangelist. The evangelist has a strong hold on the young people. On two different occasions Mr. Evans has called children not more than four years of age to come forward and give the names of all the men who wrote the New Testament.

Friday night Evans will speak on dancing, card playing and theatre going. On Sunday afternoon 4 o'clock Evans will speak to men only in the Rolfe Theater. He speaks tonight.

"With Charity for all malice toward none"

LINCOLN was called to serve us in a great national crisis; he gave his life in that service. We pay tribute today to his memory; but we can do more than that. We can dedicate ourselves to an unselfish devotion; the aims he had for the good of all, not of a class, or a group, or a section.
