Mrs. Geo. Miller Dies at Home Near Shelburn

Mrs. George C. Miller, well known Linn County woman, died yesterday at her home at Shelburn at the age of 33 years following an attack of influenza which developed into pneumonia.

Mrs. Miller, who, before her marriage

in 1912, was Miss Agnes Gibson, was well known in Albany. For several years she was a stenographer in the office of L. M. Curi and had a host of friends who will be shocked and grieved to learn of her untimely death.

She was born at Mayville, near Condon Ore., but lived most of her life in Linn County. She is a sister of Mrs. Will Miller, wife of a former county clerk. Her parents died about

three years ago. Her husband and sister are also very ill with the disease.

Funeral services will be held Friday afternoon at Shelburn.

Doctor Finds Honest Man and Recovers Purse

That at least 80 per cent of the American people are honest and that it pays to advertise, are two conclusions reached by a prominent Albany physician. Tuesday the doctor lost a purse containing \$22 and some papers. He felt sure that someone would find it and waited to see if the purse would be advertised. His faith in human nature was not in vain, for the same evening an ad. appeared in the Democrat.

John Robertson, superintendent of the J. W. Cusick & Co., bank building had found the lost articles and when the doctor gave an accurate description he handed the money over. An effort was made to divide the contents of the purse with the finder but he would not accept it. The doctor finally prevailed upon Mr. Robertson's taking \$6, which he did reluctantly.

College to Meet Pacific U. Team Tomorrow Night

The Albany College basketball squad is scheduled to meet Pacific University at Forest Grove to-morrow night. The hottest game of the year is expected. The Forest Grove lads lead the conference having lost no games this year. Albany gave them their hardest tussle two weeks ago when they held the leaders down to a 18 to 8 score.

After a two weeks rest the local aggregation is in fine condition for the game. Seven men will most likely make the trip although nothing definite has been said by coach McNeal.

CLOTHES

Let's suppose you have a certain amount to put into new clothing. Never mind how much—that's your business.

Our business is to produce the coat or suit to meet your approval and appropriation. If we don't happen to have it in stock you are not out one cent.

If the garment we lay out does not cover your idea all you have to do is tell us.

If the amount you have laid out isn't sufficient to cover first water quality—we'll tell you, and no matter what happens we'll remain friends.

If this kind of clothing logic appeals to your buying sense as good sense come in and you'll find that the truest part of this advertisement is THAT IT'S TRUE.
