SPORT GOSSIP

Jack Slattery, former coach of the Boston Braves, is coaching the Harvard baseball squad this season.

New York doesn't own all of the speedy mermals, Margaret Woodbridge, of Detroit, is coming to the front at a fast clip as a record-breaking swimmer.

Tom Jones, who has managed Jess Willard and a number of other boxing champions, has become a promoter of boxing shows at Tia Juana, Lower California.

Charlie Ledoux is coming over with Georges Carpentier next month. The little French brawler boxed a number of bouts in America several years ago.

Bobby McLean's defeat by Oscar Mathison at Christiana was certainly a big surprise. Admirers of the Chicago skater figured he was a sure winner.

Amateur football has come in for probing the past season. Several colleges held investigations of alleged professionalism, and now the National Football association is to scan their lists for prospector players.

Jacksonville, Fla. will be the scene of a four-ring baseball circus March 29, when a four-team double-header will be staged. The Cincinnati champions will play the Yankees and Brooklyn will play Washington, all for one admission.

George L. Hunter of Boston will offer another cup for the Hunter mile the third trophy he has given for the event. A contestant must win the annual contest three times to gain permanent possession of the cup. Abel S. Kiviet, of the Irish-American A. C., New York, won the first cup in 1914 and Joe Ray, of the Illinois A. C., won the second one this year.

Cafeteria Is Opened in Local Department Store

Hamilton's Store has added another feature to their many departments, now conducting a cafeteria in connection with their grocery and delicatessen departments. This department. This departure was opened last week, lunch being served in the basement of the store. Many appetizing viands are displayed on the counters and seats are provided for 114 people at one time. The place already has a large patronage and further improvements are promised. The cafeteria is the outgrowth of the grocery department. At first a place was provided for out-of-town people to bring their lunch at noons, and free coffee was served them. Later the delicatessen was started and now the cafeteria is started in response to the demands for such a place. Miss Liska is in charge of this department.

America Cost Italy \$7000 for Columbus to Make Discovery

It cost \$7000 to discover America, the United States general land office estimated following research work done in some of the ancient museums of Genoa, Italy, the port from which the memorable expedition set sail.

Employees of the surveyor's general office here have received from Washington a booklet published by the department which sheds some interesting light on the matter of financing the voyage of discovery, and which indicate that \$7000 was the total amount Queen Isabella was compelled to secure by hypothecating her jewelry. The value of the Columbus fleet is placed at something like \$3,000, the tiny caravels having been appraised at \$1000 each by the marine experts of that day.

Columbus received a compensation of \$300 a year while on the voyage, according to the musty records on file at Genoa, while two of his captains received \$200 per annum. The pay of

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days. This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

the ordinary seaman of that day was apparently nothing lavish, as the records indicate that the sailors were paid at the rate of \$2.50 a month. The remainder of the \$7000 was expended for such items as ship supplies food, and other incidentals.

The total sum spent in getting the expedition together would hardly buy a 30-foot gasoline schooner today, sea faring folks say.
