

Planning that Garden

With the first appearance of Cock Robin signs of spring bring thoughts of that garden that will furnish you with so much pleasure in the making and so much luxury and real satisfaction in the eating of your own-grown vegetables a few weeks hence.

But to garden you must have tools, and our tools are of the right kind and quality. Better look over yours.

EVANGELIST WILL CLOSE ON SUNDAY

"A lot of church members are like whales—they come up to the surface about once a week to blow a little and then sink out of sight" said Bruce Evans the evangelist at the revival he is holding in the Baptist Church. About a hundred have gone forward in the meetings. One man 72 years of age brought many to tears of joy when he walked down the aisle to grasp the evangelist by the hand.

There is to be no service Saturday night. The evangelist has been speaking almost every night since Christmas and he will rest on that night. On Sunday a great all day service is to be held. Everybody is requested to bring a basket dinner and stay all day. Large preparations are being made for the day. Mr. Evans will speak three times and Sunday night will be the final service.

Tonight about fifteen more persons will be baptized and Bruce will speak.

"GARBAGE LORDS" NEWEST NOBILITY

BERLIN, By A. P.—Garbage collectors of Berlin are now earning more than many university professors and much more than minor officials in the Foreign Office and the other ministers. If one has a wagon and two horses he makes 2,200 marks a year, plus his tips which amount to as much more. He has become a tyrant, and will remove no garbage unless he receives fees. The Berlin papers speak of him as the "Garbage Lord".
