ECONOMY in BUYING Another Petticoat

You may not have realized that Dresses of very coarse weave are extremely hard on certain types of Petticoats.

For instance: Taffeta could not hope to give the service that a Jersey would, under these conditions. Among the new "Fitrite" Petticoats there is a type or fabric to fit your particular requirements.

Let us help you select a Petticoat that will give you maximum service.

PE-RU-NA and MANALIN Cured Me

Mrs. E. M. Harris, R. R. No. 3, Ashland, Wis., sends a message of cheer to the sick:

Catarrh of the
Nose, Throat
and Stomach.

"After following your advice and using Peruna and Manalin, I was cured of catarrh of the nose, throat and stomach, from which I had suffered for several years. When I commenced taking Peruna I could not make my bed without stopping to rest. Now I

do all my work and am in good health. I recommend this valuable remedy to all suffering from any disease of the stomach."
