A FEW REASONS WHY

You Must See the Fun Play That Has Taken This Country by Storm

BECAUSE—1 It is the funniest play ever written.

BECAUSE—2 Every one who has seen it was fascinated by it — you are no different from the others.

BECAUSE—3 It has become drawing room conversation, club discussion, and you surely want to know what it is all about and have your say.

BECAUSE—4 It makes you forget where you are—what you are—guarantees you true happiness, joy and pleasure not problems.

BECAUSE—5 It is a comedy classic, a hundred critics in a hundred cities—and your own newspaper editors have unanimously decreed it is the best farce in years.

BECAUSE—6 It makes you young again—and man's dearest wish is his yearning for his youth.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.
