

For the Out-of-Doors Days—

KODAK

And not merely the alluring picture story, but on every negative at least a date; and a title, too, if you like. Titling is the work of but an instant with an Autographic Kodak; is as simple as making the picture itself—and there is no extra charge for Autographic film.

If it isn't an Eastman, it isn't a Kodak

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied. Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days. This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

music.
From Scio—
Mrs. Fred Bilyeu, a well known lady of Scio, was an Albany business visitor today.

NEW LAW BEFORE DAKOTA COURTS

FARGO, N. D., Mar. 15—The first case under North Dakota's law enacted to establish the legitimacy of children born out of wedlock has been completed in Cass county courts and a child so born has received its father's name and been declared his legitimate heir. The law was passed by the legislature in March 1917.

Under provisions of this act, which is said to be the first of its kind in the country, a child born out of wedlock is declared to be the child of its natural parents, as such is entitled to support, shelter and education equally with other children born in legal marriage and is entitled to share in any estate jointly with all other legal heirs.

Going into the Wholesale Market today with a Thousand Dollars

To buy men's all wool suits is almost like sending a boy to the grocery store for a yeast cake. Even the poorest men's clothing is asking you to know what you are buying—how much profit you are paying—and what you are getting. If you come here, you'll get the truth first—you'll get your money's worth next—you'll pay only a fair profit and you will get clothes that you will be proud of. In short—we are still doing business on old time, honest principles even though we can't bring back the good old fashioned prices.

The Blain Clothing Co. "Value First"

MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

No Farm Can Get Along Without An IRON HORSE TRACTOR

The Iron Horse is indispensable on the small farm. It does everything that the horse can do and absolutely takes the place of two or three animals. And it is handled so simply that one can change from team to tractor without a particle of inconvenience.

IT IS DRIVEN WITH LINES, JUST LIKE A HORSE

And the cost is but little more than a team of horses, while the upkeep is decidedly less. It sells, delivered on your farm, for

\$775.00

Samson Cultivators and farm machinery are available.

FOR LARGER FARMS AND HEAVIER WORK THE SAMSON MODEL M TRACTOR

is the machine you want. It is essential on the large farm and will eliminate a whole barnful of horses. Built like a fine automobile, lubricated by the latest methods, the Samson Model M is a machine that you are bound to come to.

Come in and see the working parts of the Samson. Three car loads received this week, but they are going fast. Get one before they are gone.
