JANITOR POSITION PAYS BIG SALARY

H. M. Fisher, superintendent of buildings and grounds at the University of Oregon, is faced with a janitorial problem. One of his men is going to a better janitor position, which pays \$6.60 a day, with house rent free. One of the campus statistics sharps computed that this capable janitor will earn \$171.60 a month and that, if his house has four walls and a roof it can be figured at \$20 more, which a little figuring will show, brings the total to \$229.20 per annum. This is a smaller sum than is received by several of the professors on the University faculty—smaller by just 80 cents a year.

SCOUTS WARNED OF ELECTRICITY

An interesting talk on electricity was delivered to about 30 Boy Scouts at the library last evening by R. U. Steelquist of the Mountain States Power company. Danger of playing with live wires and the necessary steps to take in giving first aid in cases of shock were outlined to the boys by the speaker. The subject was timely in the light of the accident which occurred to Dick Gilbert one of the scouts last week, who was severely burned as a result of contact with a high-voltage wire.

ARMY CARS PUT ON ROAD WORK

WASHINGTON. — By A. P. — Approximately 24,000 motor vehicles intended for war purposes have been turned over to the Department of Agriculture by the War Department for distribution among the state highway commissioners for use in road building, allotments being based on the amount of Federal aid for roads

which the states receive. Already 12,000 have been delivered to states and the remainder will be distributed as fast as railway cars can be secured for their transportation, which will be probably two or three months. This equipment promises to be of great aid in carrying out the large road building program for 1920.

DANCE AT ARMORY WEDNESDAY NIGHT

A St. Patrick's day dance will be given tomorrow night at the armory under the auspices of The American Legion. An excellent orchestra has been secured for the occasion. The quartette from the local post of the Legion at Corvallis will render several interesting numbers. Admission for soups will be one dollar.
