# OUR SPRING OPENING

Begins Tomorrow, Thursday, March 18

THE WINDOWS will be unveiled, the Store bedecked in harmony with the gayety of the Season, Millinery and Ready-to-Wear apparel will reveal the charm of womankind, the climax of beauty to the eyes of man.

## A Revue of PRINTZESS Spring Styles For PRINTZESS Week

PRINTZESS designers have chosen rich, new materials in all the latest and most fashionable shades to harmonize with the many original models in PRINTZESS coats and suits. They subtly portray the graceful lines of the new silhouette in a diversity of exclusive styles.

The out-of-door girl can be exceedingly happy in a swagger heather Jersey suit, which may also be worn to business with perfect propriety. Dressier models of Navy Blue Serge, Wood-Brown Trico-

tine or Sand Color Poiret Twill adapt themselves beautifully to more formal occasions. And one simply has to thrust one's hands into the pockets of the jaunty sport coats of English Tweed or soft Natural Polo Cloth and "strut" a little for pure joy!

We are holding a complete showing of these charming PRINTZESS models during the week of March 15-20. We cordially invite you to visit our store that you may see for yourself why the PRINTZESS label in a coat or suit assures the wearer of "Distinction in Dress."
