Cannot Praise this Remedy too Highly

THE WAY ONE LADY FEELS AFTER SUFFERING TWO YEARS

Judging from her letter, the misery and wretchedness endured by Mrs. Charlie Taylor, R. F. D. No. 1, Box 144, Dillon, S. C., must have been terrible. No one, after reading her letter, can continue to doubt the great healing power of PE-RU-NA for troubles due to catarrh or catarrhal conditions in any part of the body. Her letter is an inspiration to every sick and suffering man or woman anywhere. Here it is: "I suffered two years with catarrh of the head, stomach and bowels. Tried two of the best doctors, who gave me up. I then took PE-RU-NA and can truthfully say I am well. When I began to use PE-RU-NA, I weighed one hundred pounds. My weight now is one hundred and fifty. I cannot praise PE-RU-NA too highly, for it was a Godsend to me. I got relief from the first half bottle and twelve bottles cured me. I advise all sufferers to take PE-RU-NA."

As an emergency remedy in the home, there is nothing quite the equal of this reliable, time-tried medicine, PE-RU-NA. Thousands place their sole dependence on it for coughs, colds, stomach and bowel trouble, constipation, rheumatism, pains in the back, side and joints and to prevent the grip and Spanish Flu. To keep the blood pure and maintain bodily strength and robustness, take PE-RU-NA. You can buy PE-RU-NA anywhere in either tablet or liquid form.

tion of one week.
