AGGIES WORKING FOR TRACK MEETS

Oregon Agricultural College, March 18.—Aggie track men are working hard every day under Coach Hargiss and Trainer "Dad" Butler. The work so far has been principally for conditioning and form, but beginning with the next term, which opens on March 29, real work on speed and distance will be taken up.

There are three men on the Aggie squad this year who have won letters in track two different years and 10 more who have won one letter each. Captain Eickelman, Carter and Damon are the three double letter men.

Carter is going strong in the sprints, and Snook and W. Greene, the two latter of last year's track team look like a good combination for the short distance runs.

Word has been received here that Radcliffe, who performed on the hurdles last year for the Aggies, will return to college next quarter, and will turn out. Swan and McCormack are consistent on the 880-yard and mile run, and will be relied on for points. A number of other men are going strong for these runs, among these being Lucas, who is a letter man from 1916; Bullard, Ford, Reynolds, Durham and Rose. The 440-yard will see Rose, Anderson and Kellogg in action, as well as E. Greene. Field event men are Eickelman, Metzler, Waite, Ross, Luebke, Snook, Powell, Heyden, Damon and Butler. Several of these have previously earned official letters in track.
