

Spring White Goods

Our showing of the popular cotton fabrics offer most delightful possibilities for warm weather. Sheer, crisp, new and of a quality that adds pleasure to an early selection.

Organdies, Voiles, Flaxons, Swisses, Marquesses, Batiste, Gaberdines, Barred Muslin, Poplins, Fancy Skirtings, etc., are here in the best showing we have ever offered, and the prices, if based on the wholesale cost today, would be considerable more than we are asking.

Come in and see them, you will want to start your Spring sewing right away.

WINS BIG BATTLE With Old Stomach Enemy

From Constable to United States Marshal and Chief of Police, W. S. Harding spent many years in the United States and Alaska, fighting the enemies of peace—there was one he couldn't bring to justice, however, and that was the old enemy lodged permanently in his own stomach.
"I have fought some hard battles in my life, the toughest one was with my own stomach," writes Harding.
"For three long years I spent dollar after dollar and consulted doctor after doctor, receiving no relief. But after discovering J-O-T-O with its help I have won the greatest battle of all. For the sake of humanity put J-O-T-O on sale in every Drug Store in the world."

This is just one of the thousands of honest testimonials that come to the producers of J-O-T-O. This marvelous stomach remedy that will bring instant two-minute relief to those who suffer from stomach troubles, is sold strictly on its merits.

The Weary Way

Daily Becoming Less Wearisome to Many in Albany
With a back that aches all day, With rest disturbed at night, Annoying urinary disorders, 'Tis a weary way, indeed.
Doan's Kidney Pills are especially for kidney trouble. Ask your neighbor!

Are endorsed by Albany citizens.
Mrs. J. R. Stewart, 4th and Jackson St., Albany, says: "I have been taking Doan's Kidney Pills for the past two years, and have found the mto be an excellent remedy for kidney and bladder trouble. Before I knew of Doan's I suffered a great deal with my back. At times, it ached so across my kidneys, I couldn't rest night or day. In the morning, I was weak and tired and it was all I could do to drag myself around. My kidneys acted irregularly too. Different remedies I tried gave me no relief until I started taking Doan's Kidney Pills. The first box or so gave me relief. I continued taking Doan's for a couple of months and they brought me out in fine shape. Since then, when I notice my kidneys are not acting as they should, I take a few of Doan's and they never fail to remedy the trouble."
60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Card of Thanks
To those who so kindly assisted us and consoled us with their kindly sympathy in the death of our beloved daughter and sister, Grace Lochner we take this means of expressing our most sincere thanks.

SAMSON

It's a matter of pride with us that we have been able to enter the Albany field and become established so quickly. This has been accomplished, of course, largely through the precedent for service set by Vick Brothers in other lines. People know that when they buy from Vick Brothers that they are not merely buying for a day or a month, but for the life of the product they acquire.
SERVICE HAS BECOME A WATCHWORD WITH THEM. IT HAS BUILT THEIR BUSINESS.

Samson Tractors Moving Fast

The enthusiasm with which Samson Model M Tractors has been received is proving the worth of this sturdy machine. The man who doesn't come in and look at the insides of this machine now on display and then let us prove it for him on his own farm is taking a loss.

Two Samson Model M Tractors delivered to prominent farmers here today. Get your order in.

THE SAMSON IRON HORSE IS HERE

Today we have on display the first Samson Iron Horse Tractors to come to Albany. You are invited to come and see it. The greatest little tractor of the age.

Be on the lookout for the new Samson three-quarter ton truck which will soon be here. Efficiency and economy in operation are strong features of this sturdy farm truck. Made also in 1 1/4 ton size. Many exclusive features in truck construction.
