Bewitching Marguerite Clark who plays opposite Eugene O'Brien in "Come Out of the Kitchen," which appears at the Globe tomorrow night. An exquisite picture, beautifully portrayed.

ETHEL CLAYTON HAS APPEALING ROLE IN FILM HERE TONIGHT

In her new Paramount picture "Men, Women and Money," which will be presented at the Globe tonight, beautiful Ethel Clayton plays a captivating role, that of Marcel Middleton, a society girl.

Marcel's parents have sent her to an exclusive girls' finishing school in the east. One of her chums invites her to spend the summer vacation with her at her eastern home. Marcel's parents mortgage their little home that she may accept the invitation.

Marcel makes an impression among the society idlers. Her money runs out and her friends desert and insult her.

This is her awakening and she starts to work to pay off her debts, thereby winning the respect and love of the man who had insulted her.

"THE DARK STAR" IS IMMENSE HIT

The Big Paramount-Artcraft Special, "The Dark Star" based upon Robert W. Chambers' famous novel of the same name, is a thrilling photoplay and has scored a decided hit. It is at the Globe tonight. Marion Davies has the chief role, that of a girl who lives under the influence of an evil planet. There are numerous dramatic scenes all of which grip and hold the interest as by a spell. The picture is distinctly worth while.

COPY MUST BE SENT IN EARLY

Items Should be Made Brief and Turned in as Early as is Possible

The Democrat had a might struggle Saturday to get its church announcements into print. In order to get them in at all it was necessary to leave out advertising matter, as well as some news. This was all because they were received too late.

The Democrat is mighty glad to have church announcements and any items of church news. We welcome any pastor or church member to send in anything of a news nature, for such items are of interest to a large number of readers. But it is just as easy to get them into the office Friday afternoon as it is on Saturday morning. Every church notice should be in by 5:00 o'clock Friday to insure publication. Every item should be boiled down to the core and made as short as possible. The shorter they are the more readable they become. May we not have the cooperation of the pulpit and the public in this matter?

Society items, too, should be given to the society editor early in the week or as soon after the event as possible. Where an event is to occur on Friday evening or Saturday the plans of the affair can be given to the society editor in advance.

The cooperation of the public in matters like this will help us in getting the matter into type in good shape, assure its publication and assist us in making a better looking and more readable paper.

We thank you.
