BASEBALL TOSSERS ARE OUT AT EUGENE

Despite the fact that cold weather and rain have been a drawback to good practice, Coach Shy Huntington has been giving his Varsity baseball prospects workouts on Cemetery Ridge field during the last week.

Indications point to the fact that competition for positions on the Varsity nine will be keen this year, and as a result the lemon-yellow nine ought to be the strongest it has been in several seasons. Lettermen are available for practically every position but the catcher's job. This will be no weak spot in the Varsity machine, however, as candidates for the receiving position have blossomed out like poppies on the summer morning during the past week of practice. The prospects are Vince Jacobberger, who caught for the frosh last year; Bob Earl, who has had Varsity experience; "Bart" Laughlin, football man who handled the receiving job for the frosh team in 1917; and "Spike" Leslie, big tackle on this year's football team, who played behind the bat on many teams during the past two seasons.
