From Portland— Dan Curtin of Portland, a former resident of this city, visited friends here over Sunday.

On Business— Joe Myers, who has been one of Lebanon's business men for thirty years, or more, was an Albany business visitor this morning.

Professor Says: "Internal Baths Give Best Results"

Horace T. Dodge, M. D., Professor of Materia Medica, 25 Jacobson Bldg. Denver, writes Tyrrell's Hygienic Institute of New York as follows:

"I can truthfully say that I have had the very best results in my experience with the 'J. B. L. Cascade.' You certainly have struck the keynote of many diseases."

By means of the "J. B. L. Cascade" simple warm water cleanses the lower intestine the entire length, removes all the poisonous waste therein and keeps it clean and pure, as Nature demands it shall be for perfect health.

You will be astonished at your feelings the morning after taking an internal bath with the "J. B. L. Cascade." You will feel bright, brisk, confident and as though everything is working right—and it is.

It absolutely removes constipation and prevents Auto-Intoxication.

Foshay & Mason in Albany, Ore. will show and explain the "J. B. L. Cascade" to you, and will also give you free on request, a most interesting booklet, "Why Man of Today Is Only 50 per cent Efficient," by Dr. Chas. A. Tyrrell, of New York, for 25 years a specialist on Internal Bathing. Ask for it today.

Samson Merit Proven

Already purchasers of Samson Tractors are beginning to report excellent results obtained with their Model M's on their own farms and under their own peculiar conditions. It has been put to the test and farmers are finding out that the Samson will go anywhere, on any land and that it will thoroughly do the work.

Mr. W. R. Taylor, one of Benton County's most progressive farmers, who has sold tractors himself and is as well posted as any man in the valley on tractor values, was the first purchaser of a Samson Model M from the Albany branch.

Mr. Taylor is plowing two 14-inch plows through his fields, plowing deep and doing it with ease. Uphill or down, the Samson will do the work without any extra exertion on the engine. That is what every farmer wants—a tractor that will pull without straining his motor.

The SAMSON has solved the problem! Low price, loads of power, and service every working hour of the day, every day in the year. Come in and see us about Your SAMSON Tractor.
