Attributes Health To Internal Baths

Mr. D. C. Newcomb, 704 N. 4th Ave. Atchison, Kan.; writes Tyrrell's Hygienic Institute of New York as follows:

"My next birthday is July 13th—80 years old. Have used Tyrrell's 'J. B. L. Cascade' for more than 20 years. Best and only remedy that brings relief without the use of drugs. My experience proved that it always relieves. No danger from it. My ailments were principally Uric Acid, Biliousness, Constipation, etc."

This is by no means an exceptional letter for Tyrrell's Hygienic Institute to receive, as there are now over half a million Americans using Dr. Tyrrell's "J. B. L. Cascade" with like results.

By the scientific use of Nature's cleanser—warm water—it eliminates all poisonous waste from the lower intestine and gives Nature a chance to work unhampered.

You will be astonished at the difference in your feelings the morning after an internal bath.

The "J. B. L. Cascade" will be shown and explained to you by Foshay & Mason in Albany, Oregon who will also give you free, on request, an interesting booklet by Dr. Chas. A. Tyrrell, "Why Man of Today is Only 50 per cent Efficient."

Get this booklet and know just why Internal Bathing is so effective in the promotion of better health.
