## AUDIENCE WILL SEE GREAT FILM

Globe Gets Feature for which \$2 a Seat was Charged in New York

Tomorrow night "The Miracle Man" opens at the Globe Theatre. Audiences of Albany people will have the privilege of seeing one of the greatest pictures that has ever been produced. They will see a film that has stirred the patrons of the unwritten drama throughout the country to greater emotion than any photoplay ever attempted.

"The Miracle Man" ran three weeks in one of the largest theatres on Broadway. The film was shown for three consecutive weeks in the largest theatres in Portland before pack-

ed houses.

In line with their announced policy of giving Albany the best pictures produced, Messrs Hill and Hudson of the Globe Theatre have brought "The Miracle Man" to Albany. The cost to them even with increased admission charges is almost prohibitive. Albany is the smallest town in the state to show the same feature. Seats for the same production in New York, were \$2. The price in Portland was the same as is being charged here, 50 cents less the war tax.

### "THE MAN FROM KOKOMO" COMING HERE THIS WEEK

The happy comedy, "The Man From Kokomo," will be the next offering of the Alcazar Stock Company, at the Globe theatre, Thursday night, April 1st.

"The Man From Kokomo," still bears the hallmark of a London success and it was first produced in America at the Boston Museum, and the first night audience—which was of the first night quality—was very kindly disposed toward the play and very few plays have ever been so cordially received. It is the kind of a play that is always welcomed in the theatres, and that is highly enjoyed by the theatre-going public. The virtues of comedies such as "The Man From Kokomo," are chiefly negative and are not immoral and there is nothing in the theme of the play to offend the most sensitive or prudish. On the other hand it awakens a newer thought in ones mind, makes one feel glad they are living.

### "THE MIRACLE MAN" HAILED AS PICTURE OF UNUSUAL MERIT

George Loane Tucker Production has Most Powerful Heart Appeal

Hailed by critics as one of the greatest motion pictures ever produced, the Paramount-Artcraft feature, produced by George Loane Tucker, "The Miracle Man" will be displayed at the Globe theatre Tuesday and Wednesday of this week. It is the screen version of George M. Cohan's play that scored so emphatically on Broadway some years ago, and which in turn was based on Frank L. Packard's famous novel. No picture in recent months has had so much praise lavished upon it for the dramatic quality of its story, its keen charac-

terization, and beautiful photography. The story of "The Miracle Man" centers around an old patriarch of the hills who has gained a reputation for his power to heal the sick and crippled. To him come a band of unscrupulous crooks from the slums of

New York—Tom Burke, their leader; Rose, The Frog, and the Dope—who have conceived the scheme of capitalizing the healer's gift and taking the money for themselves.
