

# ATTRACTIVE NEW HOME OF ALBANY Y. M. C. A. WILL BE FORMALLY OPENED TONIGHT AND A LARGE CROWD IS EXPECTED

Program Will Be Rendered Consisting of Music and Talks by Prominent Speakers; President C. E. Sox Will Deliver the Address of Welcome and State Secretary I. B. Rhodes Will Give a Talk; Public Is Cordially Invited to Attend Event.

Continued from Friday, February 21.

The handsome new home of the Albany Young Men's Christian Association will be the mecca for hundreds of local residents this evening for tonight marks the occasion of the formal opening of the home and a large attendance is anticipated.

President C. E. Sox of the Albany association announced this afternoon that a program would be rendered practically as follows: Music, Wilson's orchestra; opening prayer, vocal solo; address of welcome, C. E. Sox, president of the Albany Young Men's Christian association; address, I. B. Rhodes of Portland, secretary of the Oregon Young Men's Christian Association; music; greetings from Eugene, Kenney Miller, general secretary of the Eugene Y. M. C. A.; greetings from Salem, L. H. Compton, general secretary Salem Y. M. C. A.; short talks, Dr. W. P. White, pastor of the United Presbyterian church; H. M. Crooks, president of Albany College; Prof. C. W. Boettcher, city superintendent of schools, and Delos C. Foster, general secretary of the Albany Y. M. C. A.

During the evening, Kenney Miller of Eugene and Ray Cleaver of Albany will be heard in vocal solos and Miss Mary Schultz, a popular violinist of Salem, may also contribute a selection to the program. The program will be closed with music by Wilson's orchestra.

The officers of the local association request the people of Albany to attend the opening of the new home tonight and view the interior of the building which has been remodeled for the use of the association members. Everybody will be welcome this evening and visitors will be shown through the entire building.

The rooms are most attractive now and have been dressed up especially for the opening tonight with pennants and other pretty decorations. The parlors are cozy and comfortable and the big fireplace on the north side of the room adds a touch of simplicity that is appreciated.

The billiard room, music room, bowling room, and gymnasium are also conveniently arranged and will no doubt be popular with the young men.

As a preliminary feature to the formal opening of the new home, there will be a basketball game in the gymnasium between the Albany College quintet and the All Stars.

The two teams met a few nights ago and played a most interesting game which was very exciting and full of good plays and resulted in victory for the collegians by the close score of 30 to 28. Everybody is invited to attend the opening of the new home tonight.

## BRYON'S TROUBADORS NEED NO ADVERTISING HERE

Scored Big Success at Annual Chautauqua at Bryants Park Last Year.

Byron's Troubadors need no advertising in Albany. They appeared here last summer at Chautauqua and were greeted by a crowd of several thousand people.

They were scheduled to appear on a certain evening during last year's Chautauqua, but also gave a concert during the afternoon, scoring a great success and being compelled to respond with many encores.

They will appear here next Monday evening at 8 o'clock at the First Methodist church under the auspices of the Epworth League.

## YONCALLA WOMAN WANTS THE EVIDENCE CONSIDERED

Writes Long Letter to Governor West Relating to Hanging Two Condemned Men.

Pleading with the governor to take the cases of Charles and George Humphreys under very careful consideration before allowing them to hang for the crime for which they were convicted, the killing of Mrs. Elizabeth Griffiths in Benton county, a letter has been received at the executive office from Mrs. J. T. Miller, of Yoncalla.

Mrs. Miller claims to have a personal acquaintance with the convicted men and believes that there are circumstances in the case that point to their innocence of the crime which is charged against them.

## CLOVER LEAF CONFECTIONERY STORE BEING REMODELED

Closed for repairs, the Clover Leaf Confectionery store on Lyon street will not again be opened to the public until Saturday.

The entire interior of the store is being remodeled and the new proprietor, E. E. Cole, has materially increased the stock of merchandise. Mr. Cole purchased the store several weeks ago from C. W. Tebault and proposes to have a modern and up-to-date establishment when the store is opened to the public tomorrow morning.

## FIRE DOES SMALL DAMAGE TO ROOF IN EAST ALBANY

Home of J. E. Ownby Is Scene of Blaze This Morning; Alarm Turned in by Telephone.

Fire which broke out shortly before 8 o'clock this morning did very little damage to the roof of the residence of J. E. Ownby, 1014 East Second street.

The blaze was caused by a defective flue. Mrs. Ownby was alone at the time the fire started and secured the services of a passerby who quenched the flames before any damage was done. The fire department started for the scene but were ordered back after proceeding a short distance.

The alarm was turned in over the Home telephone and much credit is due the operator for her prompt action in sounding the alarm. Before the bell had stopped ringing she had notified all the firemen.

## INTERESTING SERVICE AT M. E. CHURCH TONIGHT

This evening's service at the Methodist church is expected to be exceptionally interesting as it is the last service until Sunday. A very interesting subject will be presented this evening by Rev. Lewtas who has been conducting a most successful series of meetings for the past three weeks.

All are invited to attend this evening.

## DON'T CONFUSE

the INTERLOCKING Style of UNITED STATES CREAM SEPARATOR with older models.

The U. S. Interlocking Cream Separator represents the highest attainment in cream separator construction and possesses every essential separator requirement in the highest known degree.

Here are some of its special advantages.

1. It has about half the bowl diameter of older models.
2. It intensifies the centrifugal force and prolongs the path the milk must travel.
3. It gives practically double the skimming surface and does about twice the work of older models.
4. It keeps the milk and cream entirely apart and affords a protected path for the cream.
5. It is operated with about half the power of older models.
6. It is easiest and quickest washed by the same centrifugal force which skimmed the milk.
7. It skims cleanest. For clean skimming the U. S. holds the World's Record.

We do not ask you to accept the above statements as final. All we ask is that you give us the opportunity to prove them.
