REGINA DEFEATED O. A. C. BY SCORE OF 7 TO 6

Field Was in Poor Condition for Fast Baseball; Feature of Game Came in Ninth.

Continued from Wednesday, April 16.

On a field that was in poor condi-tion for fast baseball, the Regina team, with spring training headquarters here, defeated the fast aggregation of the Oregon Agricultural College by a score of 7 to 6 at Corvallis yesterday afternoon.

The game was characterized

by a score of 7 to 6 at Corvallis yesterday afternoon.

The game was characterized threughout the entire nine innings with errors, due to the sloppy condition of the diamond. The Regina boys made a splendid showing considering the fact that it was the first time they had lined up together for a game. In view of this circumstance is looked very doubtful in the fore part of the contest for a victory for the Canadians, as Manager Hulen played a switched line-up.

A remarkable feature of the game was in the ninth inning when the Reginas led by a score of 7 to 3. O. A. C. became desperate and by a stroke of good luck, succeeded in bunching a number of short hits, after Reginia's center fielder had dropped an easy fly. Three runs were netted before Pitcher Hargraves awoke to the situation. He then fanned two of the best batters of O. A. C. ending the game.

The score:

R H E R H E R H E R H E Regina 7 7 10 O, A. C. 6 7 8 Batteries—Bier, Hargrave and Baker—Culver, McMillian—Glazer, Weller Umpire Claud Swan.
