Will Be Marked with Splendid Ceremonies, Under Auspices of Commercial Club.

The new Hotel Lebanon will be formally opened Wednesday night, May 7, at Lebanon, with splendid ceremonies, under the auspices of the Lebanon Commercial club.

Many local people have received invitations to attend the event and it is expected that a large crowd will go there from this city for the occasion. The building is a splendid structure and one that Lebanon can justly be proud of, for it would do credit to a city twice the size of Lebanon.

The opening ceremonies will be in the form of a banquet, commencing at 8 o'clock in the evening. An orchestra will furnish special music during the evening and prominent citizens of the state are scheduled for addresses. The arrangements for the function are under the supervision of Hon. M. A. Miller.

Mrs. Boles and two sons this noon returned from a Lincoln county visit.

FRED WEATHERFORD HAS NARROW ESCAPE AT NEWPORT

Said to Have Beat the World's Record in a Race with a Tame Black Bear.

That Fred Weatherford of this city has established a record as one of the fastest foot racers in this section of the state, if not on the entire Pacific Coast, is the claim made by Albany people who were in Newport yesterday.

It seems that Dr. Berry of Newport is the owner of a tame black bear, Chester Stevenson desired to take some snap shots of the bear on the beach and in company with D. O. Woodworth, Dr. Berry and Fred Weatherford, obtained some excellent photographs of the animal. When the work has been completed Dr. Berry suggested that the members of the party run a foot race to the light house and the proposition was accepted. The bear had been trained to follow his master much in the same manner as a dog and when the race was started the doctor released the animal from the chain and called to Weatherford that the animal was loose and advised him to make the race of his life. One look behind was enough for Weatherford. The bear was gaining on himself and the doctor and the way Fred "beat it" over the hot sands of the beach indicated that a champion foot racer had been spoiled when he entered the law school. He reached the cabin door a few feet ahead of the bear, and according to reports, was the worst frightened lawyer in Oregon when his friends reached the cabin.

The friends of Mr. Earl H. Conser, of Albany and vicinity, will not doubt be pleased to learn that he has been chosen cashier of the new Paisley National Bank of Paisley, Oregon.

Mr. Conser was formerly a resident of this city and is well known here. Of recent years he has been connected with the Trust department of the Security Savings & Trust Company, of Portland. He is a young man of splendid character and attainments.

RUNS PARASOL STAY INTO EYE BUT RETAINS SIGHT

Physicians Believe That the Accident Will Not Cause Loss of Girls Eye.

Florence Scott, the 9-year-old daughter of W. H. Scott, postmaster of Crawfordsville, was brought here to the St. Mary's Hospital yesterday, where she will undergo an operation upon the right eye.

Little Miss Scott was the victim of a frightful accident Sunday at Crawfordsville. The little girl was running along the street, when she tripped and fell forward, running a stay of a parasol which she was carrying into the edge of her eye. Doctors pronounced the accident a narrow escape for she not only escaped death but will not even lose the sight of her eye, for the metal pushed far enough into her head to have penetrated the brain, causing instant death had it ranged backward instead of upward after entering the eye.

Physicians have determined that the sight of the eye has not been destroyed and are of the opinion that the clot of blood which has formed behind the pupil of the eye can be successfully removed so that the eye will be restored to normal condition.

CHILDREN'S COUGHS

Should be attended to at once, as neglect often leads to grip and other serious ailments.

Children like Rexall Cherry Bark Cough Syrup, and it is the most effective remedy we know of for the treatment of coughs, not only of children but of adults. It helps allay the irritation and inflammation and tends to put the affected organs in a state of rest so that the injured tissues may have a chance to heal. It also helps stimulate the glands to pour out their secretions, hastening the discharge of the disease germs that would otherwise prolong the disease.

Rexall Cherry Bark Cough Syrup may be taken with every assurance of safety. We have the utmost confidence in it because we have noted its beneficial results in scores of cases in which we have recommended it. We have yet to learn of a single instance in which Rexall Cherry Bark Cough Syrup did not give satisfaction. In fact, every safe is made with a positive guarantee that if it does not relieve, if it does not give prompt and effective relief—your money back. Prices, 25 cents, 50 cents and \$1. Sold in this community only at our store—The Rexall Store—Fred Dawson, Albany, Oregon.
