

NEW STRUCTURES NEAR COMPLETION

Albany Busy Center for Working Man on Account of Building Activity.

NEW BANK BUILDING SOON
READY FOR OCCUPANCY

Empire Theatre Will Have a Splendid New Home; Other Buildings Soon Completed.

Continued from Saturday, April 26

Many new structures in the city are rapidly nearing completion and within the next month a decided change will be noted. Building activities during the past six months have been unusually numerous and by the present condition Albany is an exceedingly busy center for the working man.

The magnificent new First National bank building will soon be ready for occupancy. The last finishing touches are being made and a large crew of workmen are busy every day completing the work. All that remains to be done at present is the completion of the installation of the steam heating appliances, the elevator shaft and staircase, and the interior is practically all completed. The cage and equipment for the bank department of the building will be installed sometime within the next few days.

The construction work of remodeling the building on First street opposite the Blain Clothing store to be occupied as the new home of the Empire theatre is rapidly nearing completion. Practically all of the woodwork has been completed and plasterers are busy on the interior of the building. The front of the structure will present an imposing sight when completed and will represent one of the most modern and up to date theaters in the valley. The splendid new awning, covering the entire sidewalk, is nearly completed. It was constructed of a wood framework covered with zinc and glass. The box office and the front of the building is very appropriately arranged and the operating room for the moving picture machine has been fully completed and is absolutely fire proof. The latest equipment will be installed in the room, which will greatly expedite the work of the operator and will assure the many patrons of this popular show house an up to date and splendid service. A large stage has been erected in the rear of the building but much work will have to be done before it is fully completed. According to the plans of the management the best of vaudeville will be shown here.

The building, formerly occupied as the Hotel Revere, the lower part of which has been remodeled and fixed up as a modern store room to be occupied by the Alcorn & Herdman 5 and 10 cent store, will soon be completed. This building has undergone a remarkable transformation, brick pillars and a reinforced concrete wall having replaced the old wooden girders. The building has been equipped with a big basement and will be modern in every respect.

Construction work on the new Paulus building on First street across from the First National bank has been rapidly progressing and it is probable that the new edifice will be ready for occupancy within the next two or three weeks. The building is to be occupied as an up to date cigar store, pool and billiard hall and has been leased by M. Alpine, who operates a similar concern at present. The new billiard hall upon its completion will be equipped with the latest equipment and will be one of the most modern concerns of its kind in this part of the valley.

Work has been progressing slowly on the new Bligh theater, corner First and Broadalbin streets. It is understood that the workmen have been delayed on account of the late arrival

NEW CIGAR & CONFECTIONERY STORE FOR FIRST STREET

Waldorf Will Be Rearranged and Neat Fountain to Be Installed.

The Waldorf Pool and Billiard hall, First street opposite the St. Francis hotel, will soon be a neat cigar and confectionery store to be run in conjunction with the pool and billiard hall.

Carpenters commenced the work of remodeling the front of the establishment yesterday afternoon, preparatory to the installation of a splendid 8 foot marble soda fountain which will be equipped with all of the latest accessories. A partition is being erected across the front of the store room near the entrance and the fountain, cigar and candy cases will be arranged within this enclosure. The entrance to the building when completed will be of open front design and will be equipped with a huge sliding window.

The billiard and pool hall will remain as it now is in the rear of the establishment. The work will be completed within the next 15 days. E. V. Bloomfield is the proprietor of the establishment.

FLOOD VICTIMS RECEIVED PROVISIONS SENT FROM HERE

Adjutant General of Indiana National Guard Acknowledges Receipt by Letter.

The following letter was received this morning by Manager Stewart of the Commercial club in acknowledgment of the shipment of clothing and provisions made by Albany people to the flood victims of the middle west.

Indianapolis, Ind., April 22—The Albany Commercial Club, Albany, Oregon—Gentlemen—We are in receipt of your shipment of clothing and provisions so generously contributed by your citizens and I beg to advise you that this was forwarded yesterday to the flood sufferers in the vicinity of Vincennes, Ind.

On their behalf I beg to thank you very kindly for your generous contribution. Very Respectfully,
GEO. W. MCGOY
Adjutant General Indiana National Guard.

94 ANNIVERSARY OF I.O.O.F. CELEBRATED WEDNESDAY

The ninety-fourth anniversary of the I. O. O. F. will be celebrated by the Oddfellows and Rebekahs of this city Wednesday evening, April 30, at the Oddfellows hall. All Oddfellows and Rebekahs and their families are expected to be present. An interesting program will be given, consisting of instrumental and vocal music and appropriate addresses, including the presentation of veterans' jewelry to ten members who have been active workers for more than twenty-five years.

Lyle Bigbee, of the U. O., was in Albany last night. Yesterday he pitched in the U. O. Williamette game won by U. O. 3 to 0. He made the splendid record of only allowing three runs in the game. Bigbee is one of the fastest pitchers on the coast.

S. P. Bach of Lebanon, last evening returned to Portland, where he had been with Mrs. Bach, upon whom an operation was performed a week ago. She was getting along well, improving rapidly.

of material. However, nearly all of the brick has arrived and has been stacked in Broadalbin street and much of the other materials has also been received. It was given out this morning that an additional crew of workmen will be put on Monday and the construction work will be rushed.

COACH GARRETT'S MEN WON GAME

College Boys Found No Difficulty in Hitting Manager Hulens' Pitchers.

JEWETT SECURES 1 LONE
HIT FOR THE CANADIANS

Miller Gets Three Good Hits and Shortstop Smith Distinguished Himself.

The Oregon Agricultural College team yesterday awoke to redeem itself, after being defeated three straight games by the Canadians, upon their own grounds, and they gave the Regina a good sound walloping before a large crowd at the athletic park yesterday afternoon by a score of 8 to 4.

The college boys found no difficulty in hitting Manager Hulens' pitchers this time and in this ability rests largely the verdict of the game. McMillan, the college southpaw, pitched a one-hit game, and Jewett secured this for Regina in the eighth inning. However, McMillan was a little off on the control, walking nine men and his wildness threatened to get him into trouble at certain stages of the game. It looked very serious at different times for Coach Garrett's men but they managed to pull out of several bad situations. Regina died at the bat several innings with the bases full.

The Canadians filled the bases in both the third and sixth innings but the fast playing of the Collegians cut off runs and perfected a few put outs at first. Regina scored one run in the seventh on two errors and two passed balls and three more in the eighth on three walks, an error and Jewett's hit.

Coach Garrett's men hit opportunely and batted the Regina pitchers hard when they had men on bases. They scored one in the fourth, two in the fifth, three in the sixth and two in the eighth.

In four times up Weller, the O. A. C. catcher, secured three splendid hits. He also drove out a two bagger for which he did not get credit for he was put out for cutting first base. The Angles short stop Smith, handled some splendid chances and played a star game throughout the contest.

The score:

J. K. CARLETON DIED AT LACOMB TODAY

He Was an Ex-Sheriff of Linn County and a Man of Integrity.

EARLY PIONEER OF OREGON,
SETTLED HERE IN 1893

By His Death Linn County
Loses One of Its Best
Citizens.

Ex-Sheriff James K. Carleton died at Lacombe this morning, after an illness of several weeks. Linn county in his death loses one of its best citizens, a man of absolute integrity, of the old type of sterling manhood, who did his best in life's battle and played his part well.

He was born in Monroe, West Virginia, May 30, 1824, one of ten children, a descendant of a family of early settlers there. In 1846 he started out on foot and by boat for the western country, settling in Fairfield, Iowa, where he was married in 1847. In 1850 with others he got the gold fever and started for California, but changed his course and came to the Willamette Valley, remaining during the winter and going to California the next year. Later he went back to Iowa by way of Panama and New York City. In 1853 he moved with his family to Missouri, where he resided until 1866, when he again came to Oregon, over the plains, settling about eight miles east of Lebanon, where he resided until 1893. He later sold his farm and moved to Lebanon, and then to Albany, where he resided for some time with his granddaughter, Mrs. F. C. Pate. He was sheriff of the county from 1884 until 1886, serving the county efficiently. He was also county commissioner.

In politics he was a Democrat, Jacksonian in character, in religion a Baptist, and a faithful member of the church for many years.

Mrs. Carleton died in 1893. Mr. and Mrs. Carleton were the parents of five children, Andrew, Henry, Mrs. Martin, mother of Mrs. Pate, Charles and James, only two of whom are living, Henry of Umatilla county and Charles of Powell Butte, Crook county. James Carleton had a distinguished career. Graduating from Albany College he went through Princeton University with a high standard, then through Columbia law school, and then practicing for several years in Denver, until his death January 31, 1903.

Arrangements have not been completed for the funeral, but it will probably be held Monday at Lebanon.

Mrs. Melissa Martin, of the Tangent schools, came home last evening for a couple of days visit. She was accompanied by Miss Neta Schultz, who had been visiting her.
