Students of Albany College to Hold Annual Event, Marking Dawn of Spring.

Beautiful May Pole Dance to Be Given; Splendid Cafeteria Lunch Served on Campus.

Continued from Wednesday, April 30.

May day will again be fittingly observed by the students of the Albany college, when auspicious ceremonies on the college campus will mark the dawn of spring next Thursday afternoon, May 1.

The festivities will commence at 4 o'clock with Miss Mary Bryant, a popular student of the college and the attractive daughter of Mr. Hub Bryant, seated on the throne as Queen of May. The throne will be erected directly in front of the college building and will be beautifully decorated with spring flowers and apportioned in the true style of an original throne. Stanley Van Winkle, a member of the senior class, will officiate as the master of ceremonies. The guards will be Messrs. Frank Hatfield, Vernon Cushman, Arthur Hodge and Irvine Acheson. The maids will be Misses Ina Hansen, Ruth Knowles, Margaret McDonald and Dana Cushman. Winson Henderson will be the herald.

The usual ceremonies will mark the occasion. There will be the reading of the proclamation and the heralding of spring and the beautiful dance of the May pole will be participated in by 14 charming young ladies of the college, who will be attired in dainty white dresses and will wear a wreath of spring flowers. A splendid musical program will be rendered together with several vocal and instrumental solos.

Before and after the festivities are over the young ladies of the college will serve a dainty cafeteria lunch on the campus. Many tables will be set and those who partake of the lunch will be assured of having plenty to eat as great preparations have been under way to make this end of the occasion a splendid success. STUDENTS ROUGH HOUSE MOVING PICTURE SHOW

Throw Eggs at Proprietor of Corvallis Theater; Resented Vaudeville Stunt.

A very exciting event happened at Corvallis last night when several hundred students threw eggs on the stage of one of the moving picture theaters. The proprietor, who had put in an appearance, was the target. A vaudeville stunt had been put on at the house for several days, meeting with the disapproval of the students, who declared it to be "raw." The night before a crowd of them attended the show and made things so tropical, the proprietor attempted to put them out. Last night the students gathered there in an immense crowd, and when the proprietor came out he was met with a storm of eggs, making him look very scrambled. Two of the leaders in the movement were arrested.
