## PRES. ELLIS URGES CHURCHES TO ESTABLISH HEADQUARTERS

Sends Letter to Organizations Inviting Them to Locate on Chautauqua Grounds.

Desirous of making the Chautauqua grounds a rendezvous for campers during the coming session, President Ellis of the Chautauqua Association, is sending a letter to the different churches and societies of the city urging them to take advantage of the splendid camping privileges to be afforded. The letter runs in part:

"The management of the Albany Chautauqua association invites you to establish headquarters on the grounds during the assembly. The 'headquarters' established during past assemblies appeared to be a source of much convenience to the different organizations represented that it is confidently expected many others will avail themselves of the privilege this year.

The assembly will commence July 7th and end July 20th. The program will be a particularly strong one. The orators chosen are among the most notable. The concert companies were selected almost without regard to cost. The educational features were carefully chosen.

Application should be made to Mr. J. S. Van Winkle, chairman of the committee on grounds.

Alex Power, of Lebanon, returned last night from Orenco, where he spent several days with his mother, now over ninety years of age, who is residing at the home of her son, F. W. Powers, a prominent member of the Oregon Nurseries Co.
