

Gigantic Slaughter Sale

Men's and Boys' Clothing--Furnishing Goods

Commencing Saturday, May 24, 1913

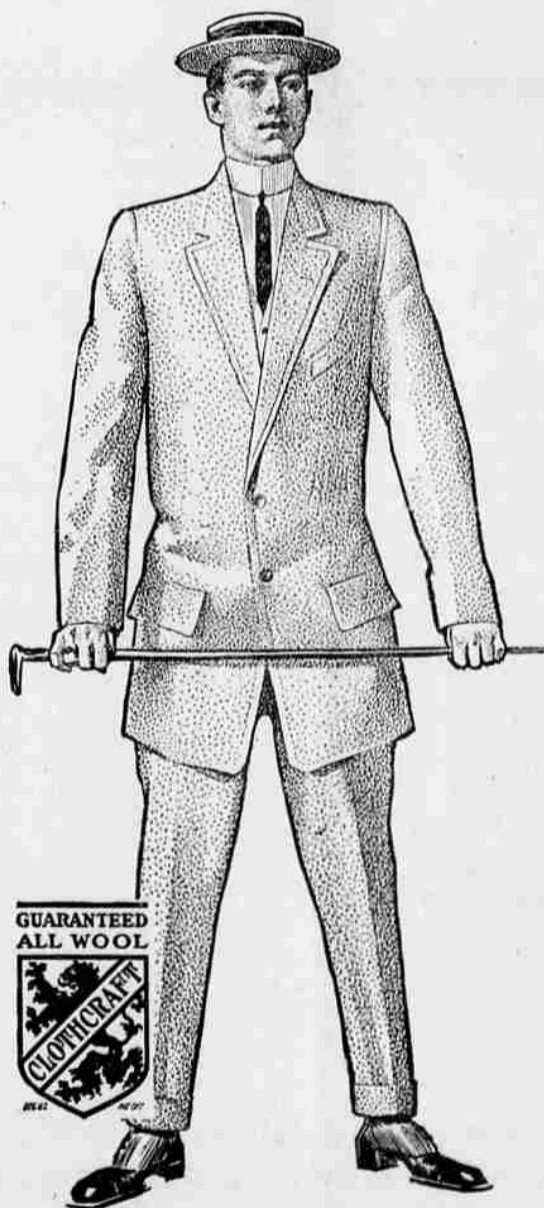

The last 4 years our policy has been not to carry goods from one season to the next. This Spring has been late, cold and no demand for merchandise. Our loss will be your gain. If the weather man will not help us we must help ourselves. We have but one way: You Have the money. We are told that in Oregon if you hold a man up they send you to jail. Now we don't want that. What we want is your money; just as well say so for that's what we mean. Saturday, May 24 at 9 o'clock we will open our doors on the **Biggest Slaughter** of seasonable goods for Men and Boys we ever put on

Not a Thing in Our Store That Is Not on Sale at a Big Reduction

Saturday, May 24 is the day we start the **biggest Clothing Sale** and continue until this stock is sold. As we need the money
