

## PROMINENT HILL OFFICIALS HERE

Arrived This Morning and Are Given a Reception at Commercial Club.

DELEGATION IS HEADED BY LOUIS W. HILL

A. R. Porter of Porter Brothers Included in Party Inspecting Proposed Line.

Continued from Saturday, May 31.

Members of Hill Party.

L. W. Hill, chairman, Great Northern Ry., chairman 1st National Bank, St. Paul; J. H. Young, president S. P. & S. Ry. Co.; W. D. Skinner, traffic manager S. P. & S. Ry.; P. L. Howe, president Imperial Elevator Co.; E. O. Rice, First National Bank; J. J. Elliott, Northern Oregon Electric Ry.; W. J. Climo, Sec'y. to President S. P. & S. Ry.; W. P. Davidson, president Oregon & Western Colonization Co.; A. R. Porter, of Porter Brothers.

Here for the purpose of inspecting the Oregon Electric Railway system, including the route of the proposed Porter Brothers' line which will tap the timber belt east of Albany, L. W. Hill, president of the board of directors of the Hill railroads, A. R. Porter of Porter Brothers and a party of well known railroad men arrived on a special train this morning and were tendered an informal reception at the Commercial club.

Met at the train by prominent local business men and escorted in automobiles to the Commercial club rooms, Manager Stewart called the meeting to order and presented Mr. Hill.

"We are making a trip of inspection," said Mr. Hill, "and in no section of the state have we been received more cordially than in the Willamette Valley. I have unlimited confidence in this particular section of the state and I am here to confer with Porter Brothers for the purpose of ascertaining their plans with reference to the construction of the proposed railroad to the mountains. I hope that they will see the wisdom of bringing a logging road to Albany instead of starting a new town in the timber belt, but the matter is entirely up to Porter Brothers."

Mr. Hill paid a glowing tribute to the pioneers who crossed the plains and settled the western country and congratulated the people of Albany on the wonderful progress made since his last visit.

Mr. Porter was then called upon and stated that his engineers are now engaged in surveying the lines between Albany and the timber belt but asserted that he was not prepared at this time to make any positive statement as to the future plans of his associates.

President Young made a brief but pleasing talk. W. P. Davidson of the Western Colonization company made a few brief remarks.

## CUT DOWN WEEDS AND KEEP LAWNS MOWED THIS SUMMER

Street Superintendent Glen M. Junkin Says There Is City Ordinance Covering This.

"Property owners and house renters, keep the lawns mowed and cut down the weeds in the vacant lots." That is the gist of an order which will be published soon by Superintendent of Streets Glen M. Junkin, only the notice will have a conspicuous notation to the effect that in non-compliance a city ordinance is being violated, for there is an ordinance requiring that vacant lots and lawns within the city limits be cleared and kept clear of weeds and superfluous grass.

Mr. Junkin stated this morning that there has been many complaints coming in at the recorder's office relative to this nuisance and that it is pursuant to these kicks that he will be compelled to get after the property owners.

## OLD HEN KIDNAPS KITTENS

Drives Cat Away, but Makes Friends With Tabby.

Anville, Pa., May 30.—A few weeks ago a cat in the family of Roy Spangler brought home a litter of kittens. About the same time a Plymouth Rock hen, kept by the family, began hiding her eggs and evinced a strong desire to set, but her nest was broken up.

On Sunday, cat, kittens and hen disappeared and efforts to find them proved unavailing.

The next day the hen was found on an old nest in an abandoned coop. She was chased away and beneath her were found the kittens who had been missing for several days. Some time later the cat was seen to steal into the coop.

The hen was released and immediately returned to the coop where she was found later sitting beside that which was then nursing the kittens.

High School Teams Are Battling.

The Albany High school baseball team and a similar aggregation from Salem are battling for supremacy on the local grounds this afternoon. This will be the final interscholastic contest of the season and during the game it will be determined which of the players are to receive the official A's.

The party left this afternoon on an inspection trip of the proposed new line from Albany to the timber belt. They will visit Lebanon and Sweet Home and will return to this city late this afternoon.

The party will return to Portland tonight and make a tour of inspection of proposed and completed lines in Central Oregon before returning East.

## ALBANY WON FROM MOUNT ANGEL 13-3

Hundreds of Local Fans See Albany Athletics Pile Up Big Score Here Yesterday.

MOUNT ANGEL'S PITCHERS WERE EASY MARKS

Lyle Bigbee Pitched First Game For Albany; Carson Bigbee Made Home Run.

Hundreds of local fans saw the Albany Athletics swamp the Mount Angel team by a score of 13 to 3 here on the local grounds yesterday afternoon.

The local boys found no trouble in hitting the Angel's offerings for pitchers and the result was that three of them were sent to the mound during the game. Martin started out for the visitors in the box but was taken out in the first inning, Albany gaining four runs in this inning. Sherback was taken out in the seventh after Albany's fast little third baseman, Carson Bigbee, brought in two runs besides himself on a home run inside the lot. It was after this inning that Martin, who started the game for the visitors, went back into the box to finish the game.

Lyle Bigbee pitched his first game for the local team this season. He allowed only two hits and pitched a masterful game throughout the contest. In the judgment of many he deserved a shutout which no doubt would have been the case had he had the support he deserved for his teammates made six errors.

Score: R. H. E.  
Albany 13 13 8  
Mt. Angel 3 2 5

Batteries—Albany, Bigbee and Bigbee, Ryals; Mount Angel, Martin, Sherback, Martin and White. Umpire, Salisbury.

## ANOTHER GAME OF BASEBALL PLAYED HERE TOMORROW

Athletics Will Tangle With Fast Knights of Columbus of Portland.

Another postponed game of baseball will be played tomorrow on the local ground beginning at 3 o'clock when the Knights of Columbus team of Portland will meet the Athletics. The Knights played three games with the home team last year, winning the first game early in the season 7 to 2 and losing both to Albany July 4th, by scores of 4 to 3 and 2. The K. C. team is undoubtedly the fastest amateur baseball team in Portland and their coming here always insures the closest and fastest game of the season. Their line-up would indicate that Provost and Van Hoornissen would be the pitchers but thus far this season Manager Reilly has secured the services of one of McCredie's best pitchers and it is quite certain he will not miss an opportunity of bringing the best slab artist obtainable to put in against the local boys. It is believed that Al Carson, of the Portland Coast League team, will be the twirler who will be depended upon by Reilly to win the game. Patterson will pitch for Albany. Both Colbert and Swann, who were unable to play yesterday, will be on hand for the game tomorrow. The probable lineup is as follows:

Albany—C. Bigbee, 3b; Swann, 2b; Monson, cf; Colbert, c; Mickel, lf; Kennard, ss; M. Bigbee, rf; Ryals, 1b; Patterson-L. Bigbee, p.

Knights Columbus—Brown, 3b; Mangold, 2b; Kennedy, cf; McBride and Gleason, c; Hughes, lf; Morgan, ss; Luckey, rf; Kerrigan, 1b; Provost-VanHoornissen, p.

## ALBANY STEAM LAUNDRY IS NOW INCORPORATED

The object of the corporation is to conduct a general steam laundry business, including dyeing, cleaning and pressing. The capital stock of the new company is fixed at \$10,000, divided into 100 shares at \$100 per share. The principal office will be located here.

Dr. Harper arrived yesterday from New Zealand, where he has resided a good many years, doing missionary work, and is the guest of his niece, Mrs. J. D. Ellis. He came by way of Victoria, B. C. Most of his long voyage here was smooth; but two or three days were pretty rough enough so as to frighten the passenger. After a visit here he will go east by the Canadian Pacific, and officiate at a wedding in Northfield, Minn., then go to his former home in Scotland.

## FEARED DEATH, TAKES ACID

Minister Who Predicted His Suicide Yields to Impulse.

Macon, Mo., May 30.—Just as he had long ago predicted he would some day, the Rev. Clarke Jones, 50 years old, took a heavy dose of carbolic acid and died shortly afterward.

Some months ago Jones, who owns a farm and is well to do, came in and requested of the probate judge that inquiry be held as to his mental condition.

He said he could not pass a drug store without an almost irresistible impulse to buy some sort of poison. The jury found him mentally unbalanced and he was sent to an asylum. Later he was released and came home, finally carrying into execution the thing he had feared all along. His wife and three children survive.

A crowd of employees of the Hamilton store spent yesterday in a house party at the home of S. P. Williamson at Oakville, going and returning on the Oregon Electric. They had a delightful time, experiencing the pleasures of a day in the country in one of the best sections of the valley. Those going were Mrs. Patterson, a daughter of Mr. Williamson, Miss Eda Patterson, Hamilton, Mrs. Emma G. Hamilton, teacher, the Misses Pearson and aff.

Miss Robinson, of Chicago, is in the city on a visit, the guest of her cousin, Mrs. C. V. Littler. This is Miss Robinson's second visit to Albany.
