The meeting was called to order by C. H. Stewart. The following were present: F. H. Pfeiffer, Mrs. F. H. Pfeiffer, A. C. Schmitt, Ben Barcher, E. M. Reagen, L. E. Babin, S. E. Young, Mrs. Naomi Young, L. E. Hamilton, Mrs. H. J. Hamilton, C. H. Stewart and Fred Fortmiller. A. C. Schmitt was chosen as chairman, and Fred Fortmiller, secretary.

A committee reported the following plan for a permanent organization, which was on motion adopted:

"Your committee appointed to recommend a form of permanent organization for a cemetery association to be formed to take charge of and improve the city cemetery of the city of Albany, Oregon, respectfully make the following recommendations:

1. That such cemetery association be formed in accordance with the provisions of Chapter VI of Title XLVI of Lord's Oregon Laws.

2. That such association be named Riverside Cemetery Association of Albany, Oregon.

3. That the object of such association shall be to acquire property for cemetery purposes at or near the City of Albany, Oregon, and to improve and dispose of cemetery property in the manner provided by law.

4. That the membership of such association shall include all adult persons attending the meeting at which such association shall be organized, and all other adult persons interested in the project of the association may be enrolled as members thereof upon application to the secretary of the association.

5. That the management of said association shall be vested in five trustees, who shall be elected by the members of the association from its membership, by ballot, as follows: At the first meeting of the association five trustees shall be elected, who shall hold office for one, two, three, four and five years respectively, as they shall determine by lot immediately following their election, and thereafter at each annual meeting of the association one trustee shall be elected for a term of five years. Any vacancy in the office of trustee, whether by death, resignation, or otherwise, shall be filled by majority vote of the remaining trustees until next annual meeting of the association, when the vacancy shall be filled by the association for the remainder of the term.

6. That the officers of the association shall be a president, a secretary, and a treasurer, all to be elected annually by the trustees at their first meeting following the annual meeting of the association. The president and secretary shall be chosen from the trustees, but the treasurer may or may not be a trustee. The officers of the association shall perform the duties usually pertaining to their respective offices, and shall make report in writing to the association at its annual meeting. Vacancies in office shall be filled by the trustees until the next annual meeting of the association.

7. That the regular meetings of the association shall be held annually on the first Friday of May, at half past seven o'clock p. m., at the office of the Albany Commercial club, at Albany, Oregon, unless some other place in the city of Albany shall be chosen by the trustees and designated in the notice of meeting. Special meetings of the association may be called by the trustees or any ten members of the association, at any time. Notice of the meetings of the association shall be given by the secretary by publication thereof in a daily newspaper of the City of Albany at least once, not less than five days prior to the meeting, or by mailing such notice to each member at least five days prior to the meeting. Ten members shall constitute a quorum at any meeting.

8. The trustees shall hold regular meetings twice a year, once immediately following the annual meeting of the association, and once on the first Friday of November of each year. Special meetings of the trustees may be held at any time and place at the call of the president or any three trustees. A majority of the trustees shall constitute a quorum.

9. The trustees shall provide for an irrevocable fund, to be created by the sale of lots, donations, or other sources of revenue, which shall be invested in bonds, mortgages, or other approved securities, the income from which shall be devoted exclusively to the preservation and maintenance of the cemetery.

REV. LEECH HAS RETURNED FROM PROTRACTED OUTING

Reports a Most Enjoyable Vacation and Says He Walked Over 100 Miles.

Returning last night, Rev. D. H. Leech, family and party, have been enjoying a three weeks outing at Cascadia.

That he traveled over 100 miles afoot through the mountains in company with his son Archer and F. M. Spiedel, a member of the party, in pursuit of game and fish, was the statement made by Mr. Leech.

The remainder of the party camped at Upper Soda while the three went off on the hunting and fishing expedition. Rev. Leech said that he got lots of fish but no game to speak of. He reports a most enjoyable outing and intimated that the recreation was worth any perseverance.

T. M. Stevens and wife of Corvallis are visiting in the city today.

Phil S. Bates of Portland is in the city today to attend the meeting of the editorial association.

Mrs. James Gilchrist of Portland, arrived this afternoon and will spend Sunday with Miss Mathews.

Members of the party were Police Judge Van Tassel, Connelman Blount, Architect Tobey and Contractors Sandstrom and Babb.

However making fair catches, they report fishing unusually poor considering their persistence in casting lures. Police Judge Van Tassel stated this morning that they enjoyed the outing immensely.

CLAIMANTS SEE FAVORABLE ASPECT

Have Been Waiting for Long Time and Are Now Recognized.

TOWNSHIP MAY SOON BE OPEN FOR ENTRY

Senators Chamberlain and Lane Work in Interest of Homeseekers.

Foster, Or., Aug. 21.—Seventy-five homesteaders, located in township 12 south, of range 4 east, above Whitcomb's Big Bottom, in the south Santiam country, are very jubilant because of the attitude of the present administration toward the homeseekers. These men, who, with their families, have been in the wilds in this country for more than two years, have patiently been awaiting the time when their claims would be recognized. That their patience and fortitude have at last been rewarded is evidenced by recognition on the part of Senators Lane and Chamberlain and Representative Hawley, who have personally communicated with the homesteaders. The attitude of Secretary Lane is also indicative of what these hardy homesteaders have been wishing for some time. Senator Chamberlain has sent the advice that the survey of the township, made by the United States government last summer, is in plat No. 6, now in his office in Washington, D. C., and that the plat will undoubtedly be placed in the Portland land office and be opened for filing at an early date.

The lands that are homesteaded are Northern Pacific scrip holdings. It is not anticipated that the Northern Pacific will seek the courts regarding the matter, although this scrip has been sold to the Weyerhaeuser interests.

The homesteaders have spent considerable money on the building of good roads and trails and have made splendid clearings on their claims. All claimants have erected good cabins and have otherwise made extensive improvements on their quarter sections.

This township was once before surveyed, the survey having been rejected. The present attitude of the administration, together with the fact that permanent improvements have been made in "12-4" indicates that a filing will be granted not later than Thanksgiving day, of this year.

These homesteaders are making and enlarging their clearings in order that they may take advantage of the five year act of 1886. It may be, however, that they will eventually "prove up" under the new Borah three year law in case it passes.

Foster at the present time lies 20 miles from the railroad. The land that has been homesteaded lies 24 miles beyond Foster, in the Santiam country. While these homesteaders are now over 40 miles from a railroad, the proposed electric line that once he built into Foster would bring these lands into closer communication with the outside world.

Mrs. Jennie Landrun, of La Grande who has been a guest at the home of George Richards left this noon for Eugene to visit with friends before returning home. She is a sister of Mr. Richards.

Mr. and Mrs. R. B. Ohling and son Merrill have returned from an outing at Newport.

WANTS DIVORCE FROM WIFE WHO HAS MARRIED AGAIN

F. H. Esmond Claims That Matrimonial Bonds Were Never Dissolved.

Filing suit for divorce, in which he alleges that his wife has married again, although the bonds of matrimony existing between them have never been dissolved, F. H. Esmond, of Lebanon, is suing for legal separation from Della Esmond, upon the grounds of desertion. The couple were married in Lebanon August 11, 1911. According to the complaint the defendant has treated the plaintiff cruelly and in less than a month after the marriage left his home. The plaintiff alleges that the wife has since led a life of unchastity and unfaithfulness to her marriage vow and has intermarried with H. S. Taggersal, whom she is now living in Portland. The plaintiff further claims that the bonds of matrimony existing between he and his wife have never been dissolved. Attorney H. B. Chess of Lebanon will represent the plaintiff.

CATLIN WOULD BE OFFICIAL FLYCATCHER

Will Ask Mayor for Appointment at Next Meeting of Council.

Claiming that his long service as an officer of Albany qualifies him for the position, Constable John Catlin has entered the race for appointment to the office of official fly catcher and is this morning securing letters of recommendation from prominent citizens. The Democrat endorses the candidacy of Mr. Catlin, and believes that no better man could be secured for the position.

If Catlin lands the position, however, it will be after a hard fight, for his enemies are pointing to the fact that he was removed from the office of dog catcher because he failed to display the proper interest in his duties. Other names have been mentioned in connection with the appointment but thus far no candidate aside from Catlin has mustered any considerable strength.
