

FAIR IS BIGGEST WEST OF ROCKIES

Oregon State Fair This Year Will Be Bigger and Better Than Ever.

WILL BE HELD FROM SEPT. 29 TO OCT. 4

Many Improvements and Added Attractions Will Draw Large Crowds.

Continued from Friday, Sep. 5

The Oregon state fair has reached such proportions that it has become the biggest fair west of the Rockies, according to an authoritative source.

Oregon is progressing by leaps and bounds, continues the statement and the citizens of the state are proud of its achievements.

This year's fair will open September 29th and close October 4th. The weather forecasts and conditions were never so good at this season of the year.

Work is progressing nicely on the grounds and the management has the new machinery well under way. It is to be 122x275 feet, and well braced. The temporary building to be used by the Eugenics department is ready for occupancy, as the temporary building for the children's industrial department, the former is 50x80 feet and the latter 50x150. Also a building capable of seating 3500 people which will be used should the weather prove unpleasant.

Free attractions galore will be given, including harness and novelty races, band concerts, shooting tournaments, fireworks and an old time one-ring circus.

The Oregon game commission will show 200 game birds in a cage 40x40 feet. Daily lectures will be given by the management of the Eugenics department, as well as by members of the faculty of the Oregon Agricultural College and the University of Oregon. These latter will be illustrated.

A large exhibit of textile work from the Oregon state hospital will be shown. The farm of this institution will also show an excellent lot of products grown by the inmates. Free camping space is offered in the oak grove park which will be electrically lighted throughout. Good, pure water piped throughout the grounds. Free stalls for campers' horses. The board places guards over the camp grounds and campers are assured of the best of attention.

Looking for a band.—Otto Lee this morning was lamenting the fact that he is unable to secure a band to greet his wife on her return from an eastern trip. Mrs. Lee is expected to return from Missouri and other eastern points this evening. She was gone three months.

Relatives of Fred Kizer Complain of Filth and Officer Uses Novel Method.

Upon complaint of relatives of Fred Kizer, who is serving a sentence of 25 days in the city jail for violation of the ordinance prohibiting persons carrying liquor through the streets in other than consignment packages, that the city bastille was so filthy that it wasn't "fit for a dog to stay in," County Health Officer Dr. W. H. Davis, inspected the jail yesterday and made a report that the building was in sanitary condition.

Despite this relatives of the prisoner registered another complaint along the same line yesterday afternoon and as a result Dr. Davis told Chief of Police King to place a bucket of water, some soap and a mop in the jail. This the chief did but as far as could be learned Kizer has not made use of the cleaning accessories.

GATES WOMAN IS SENT TO STATE INSANE HOSPITAL

Mrs. Hattie Goodwin, Age 65, Taken to Institution This Noon.

County Judge McKnight this morning, following an examination conducted before him by Dr. J. H. Robnett, committed Hattie Goodwin, age 65, of Gates, to the state insane hospital. She was taken to the institution this noon.

The cause of insanity is attributed to worry over her husband's suicide which was preceded by a stroke of apoplexy in May, 1913, followed by a general weak mental condition. Mrs. Goodwin has since labored under fixed delusions believing that her husband and son-in-law keep her continually under the influence of some poison.

Jesper Turnidge, foreman of the Linn County Orchard Colony, who resides near Lacombe, transacted business here this morning. He left on the noon train for his home.

K. P. TO MEET IN PORTLAND

Thirty-Second Annual Convention Will Convene Oct. 14 in Rose City.

SPECIAL WORK WILL CHARACTERIZE MEETING

Distinguished Visitors Is To Attend—Large Class To Be Initiated.

That the thirty second annual convention of the grand lodge, Knights of Pythias of Oregon, will convene in Portland next month was the word received here this morning by grand lodge officers from J. H. Gwinn, of Salem, Grand Chancellor.

That the convention will be characterized by special features and that distinguished visitors will be present, is indicated by the following letter being mailed to the officers of the grand lodge:

To all Subordinate Lodges, Knights of Pythias, Greeting:

Brothers:—The thirty-second annual convention of the grand lodge of Oregon will convene in the city of Portland, on Tuesday, October 14, 1913, at 10 o'clock a. m. Among the distinguished Pythian visitors who will be present are: Hon. Fred E. Wheaton, supreme keeper of records and seals; Hon. Ralph W. Schoonover, grand chancellor of California; Hon. Fred H. Tonkin, grand chancellor of Washington.

It is proposed during the session of the grand lodge to initiate a large class of candidate in the rank of page, which will be known as "The Rathbone Bible Class."

Bro. Wheaton will bring with him the original Rathbone Bible, the one that was used at the institution of the first lodge of our order, on February 19, 1864. This bible was presented to Bro. Rathbone by his mother, when he was but five years old, in 1844. Later Bro. Rathbone gave the bible over to the supreme lodge and it is now in the custody of the supreme keeper of records and seals.

At the conferring of the rank of page in Portland, Bro. Wheaton will take the part of prelate and obligate each candidate over the same book of law that was used at the founding of our order. Oregon is indeed fortunate in having the Rathbone bible which Bro. Wheaton has personally used to initiate nearly five thousand members, and this is the first time it has ever come west of the Kansas state line.

"The Lesson of Friendship"—The concluding ceremonies of the rank of page will be the authorized drama "The Lesson of Friendship" which was adopted by the supreme lodge as the only ceremony that can be used by the order. It will be used this year for the first time in Oregon. Lodges in Portland and vicinity are requested to secure as many applications for the "Rathbone Bible Class," as possible, and report the number secured not later than October 9, if possible, to the grand keeper of records and seal.

Fraternally yours, J. H. GWINN, Grand Chancellor. R. D. STINSON, G. K. R. S.
