ALBANY READY FOR KNIGHTS TEMPLAR

Freedom of City Will Be Given Visiting Masons and Their Wives.

ANNUAL CONCLAVE WILL OPEN THIS EVENING

Elaborate Program Arranged for Entertainment of Visitors Tomorrow.

Continued from Wednesday, Sept.24

All arrangements are complete for the entertainment of the annual conclave of the grand commandery of the Knights Templar of Oregon, which will be held here tomorrow.

Temple commandery No. 3, of this city, which will entertain the conclave, have been assured that 300 Knights will attend, representing every commandery in the state.

Among the entertainment features, in addition to the business sessions of the Grand commandery, is a reception for Knights and their wives, special reception for the ladies while the session is on, a parade, an evening initiatory work and automobile rides about Albany and the surrounding country.

The formal conclave will convene Thursday, but the convention will really begin this evening, when there will be work in the Temple degree at the local Masonic Temple. Thursday morning the Grand commandery will begin its work and at noon a luncheon will be served at the hotels. After this there will be a parade of the Knights in full uniform.

In the afternoon the wives of the visitors will be entertained by the women of Albany at the reception in Masonic Temple. The visiting Knights and their wives will be taken on an automobile tour of the city and vicinity. In the evening a reception will be held at the Armory in this city to the grand commandery of Oregon to which all Masons are cordially invited.

Several of the visitors here arrived in the city this afternoon and will take part in the work tonight. This session will virtually mark the opening of the annual conclave.

According to a statement made this afternoon by George Sanders, eminent commander of the local commandery, there seems to be some misunderstanding as to who should attend the reception tomorrow night at the Armory. He said that all Masons and wives are invited.
