

## VALLEY AS DISTRICT WILL BE BOOSTED

Result of the Dig Meeting Held Here Yesterday of County Representatives.

EFFORT TO BE MADE TO  
HAVE TOURISTS STOP OVER

Permanent Organization Effected; Executive Committee Composed of 3 Each.

Continued from Friday, October 31

The Willamette valley will be advertised at the Panama Pacific International Exposition at San Francisco in 1915 by a gigantic exhibit, contributed by eight counties. This means that the valley will be advertised as a district, instead of by individual county exhibits. The reason for advertising the valley as a section, is that it is believed more good will result at less expense than otherwise.

Also an effort will be made for the establishment of the discrimination of \$17.50 against the northern route to the west and for concerted effort on the part of all organizations, schools, cities, districts and individuals to have as many tourists stop over to visit the inland towns while coming to and from the exposition.

In short, the plan drafted here yesterday afternoon at an important meeting of representatives of the various counties, is to reap the harvest while the sun shines.

Meeting here yesterday afternoon in the local Commercial club, thirty representatives of eight valley counties, namely: Benton, Linn, Clackamas, Polk, Yamhill, Washington, Lane and Marion, representing the booster organizations and the county courts, conferred with scores of enterprising local business men and discussed the foregoing matters, to the end that concerted action will be taken relative to the profitable advertising of the Willamette valley, as a section through the help of all the counties as a unit. President, O. M. Clark and R. A. Booth, of the Oregon commission of the exposition and Tom Richardson, of the Oregon Development League, were present.

The prime result of the meeting was that a permanent organization was decided upon to carry on this work, by a resolution introduced. It called for an executive committee to be composed of one representative of each county. The meeting adjourned for three minutes while each delegation elected its representative, which resulted as follows: Lane, M. J. Duryea; Benton, C. A. Murphy; Linn, C. H. Stewart; Marion, Fred Bynon; Clackamas, O. E. Freyher; Washington, D. J. Haynes; Polk, Dr. H. C. Dunmore, and Yamhill, A. O. Sarff. Upon returning to their respective homes, each representative is to affiliate with him a member of the county court and the two are to elect a third member, which will compose the committee. The next meeting is to be held at Salem on Thursday, November 13, at which time officers are to be elected.

The meeting was presided over by C. H. Stewart as chairman and Fred S. Bynon, as secretary pro tem. President Van Winkle of the Albany Commercial club made the address of welcome and the meeting was opened with short addresses by President Clark and Mr. Booth on what the commission was doing. They were followed by Tom Richardson who brought up his proposition of eliminating the northern route fair to a stipulated extent and encouraging tourists to stop enroute to the exposition.

A resolution was passed recommending the approval of the two university appropriation bills at the polls Tuesday. The attack on the appropriations, was characterized as an abuse of the referendum and voters are urged to approve the measures, both because of the needs of the University of Oregon and to rebuke the use of the referendum by those "influenced by passion and prejudice."

## SCHULTZ, KING AND FOX ARE SOME HEROES INDEED

Popular Employees of Hotel Hammel Know How to Rustle Grips.

Speaking of heroes and heroines, none of 'em have got it on Emil Schultz, Spencer King and Glen Fox, all bearing official titles as employees of the Hotel Hammel. Schultz and Fox are hotel runners and clerks and King is the bus driver.

Through some mistake a few grips were conveyed to the Southern Pacific depot instead of the Oregon Electric this noon. Returning aboard the bus from the former depot, Schultz, King and Fox were hailed at the electric depot by a coterie of traveling men, inquiring for their grips excitedly, as the train was at the station ready to pull out in a few seconds. Whereupon Fox jumped off, conducted an investigation, and almost simultaneously King wheeled the bus about and proceeded rapidly to the S. P. depot. One grip was picked up in a running dash by Schultz, while Fox pacified the traveling men at the O. E. depot. King returned his bus to the depot just as the train was pulling out. Two occupants of the bus enjoyed the thrilling experience.

## MILITARY BAND TO GIVE BIG CONCERT

To Invite Interest in State Militia, Musical Organization Will Go On Tour.

WILL APPEAR HERE  
ON FEBRUARY 7TH

Military Drill, Concert and Dance Will Be Planned at Armory on That Date.

With the purpose of inciting interest of the people, as well as the citizen soldiers and young men who contemplate enlisting in the Oregon state militia, general and more especially the people of a town, the first band of the Oregon Coast Artillery Reserves will make a concert tour of the state during the fore part of February. That was the announcement made this afternoon by Major Chas. E. York, director of the band, when seen at the Hotel Hammel. Major York is here for the purpose of arranging the Albany concert under the auspices of the local company. He will go to other towns where there are artillery companies of a similar mission under an order of Adjutant-General Finzer.

"By the fact that the band has headquarters in Portland," said the major, "but few of the companies have a chance to appreciate it only when in annual camp. Therefore we are arranging this concert tour for the benefit of the companies along the line and to incite interest of the national guardsmen and citizens of the community. Our band is composed of thirty pieces. At each town we stop, each company is to hold a military drill with band accompaniment. Afterwards will be given a short concert and then will furnish the music for a dance. The public will be cordially invited to attend this event, which will be held in the various armories. We will come here on Saturday, February 7."

The diversion of the evening, which was followed by refreshments.

Among the pleasant social events of the week, was when twenty-three young ladies gathered at the home of Miss Mary G. Wood in Sunrise. ## SALEM HIGH DEFEATED ALBANY HIGH YESTERDAY

Game Was Bitterly Contested and Brilliantly Played; Score 18 to 7.

Salem, Ore., Nov. 1.—Salem High school defeated Albany high school 18 to 7, in a bitterly contested but brilliant game of football today on the Willamette University athletic field. The Salem team played fine ball, also getting the lucky breaks in the contest. The Albany roster, 200 strong, stood by their team to the last and their players responded by not letting up for a minute.

The consensus of opinion here is that in today's game the teams were two of the most cleverly coached high school eleven's seen on a local field in three years.

By the defeat of Albany high today it looks as if the valley championship would be settled when the Salem and Eugene high schools meet in Eugene, November 15. From present indications it would seem the Salem high school has the edge on Eugene.
