

COMMERCIAL CLUB MET LAST NIGHT

Decided to Form County Organization to Make Ready for Panama Expo.

PTED INVITATION TO TEACHERS' RECEPTION

Committee in Charge of Football Arrangements Made Report Which Was Accepted.

Continued from Tuesday, Nov. 11.

Having listened to the reading of a letter commending the movement towards the erection of a city hall, received the report of the committee in charge of the arrangements for the football game, accepting an invitation from County School Superintendent Jackson for the club to participate in a reception to school teachers and deciding to form a county organization to make ready for the Panama exposition, the executive board of the Commercial club adjourned the regular weekly meeting last night.

Those who were present are as follows: President Van Winkle, Secretary C. H. Stewart, and directors: Waldo Anderson, F. M. French, L. E. Hamilton, G. T. Hockensmith, R. C. Hunt, J. A. McKillop, F. H. Pfeiffer, J. W. Reeder and M. Senders.

A communication was received from the Albany Shakespeare club heartily endorsing and commending the movement now being carried on by this club for the purchase of the Central school block by the city as a site for the city hall.

The special committee, consisting of William Eagles, Dr. H. J. Kavanaugh, and C. H. Stewart, appointed to arrange for the annual football contest between the Oregon Agricultural College and the U. of O., submitted an itemized statement showing that they had received by subscription \$321.50, and from gate receipts \$250, a total of \$571.50; that they had agreed with the Albany Athletic association, the lessees of the ball grounds, that after all expenses of the contest should have been paid, the balance on hand should be turned over to them for the use of the grounds; that the expenses amount to \$391.08, and the balance to be turned over to the Athletic association is \$180.42; the report gives a complete list of all subscriptions received and of all bills presented.

On motion the report was accepted and approved, and it was ordered that warrants be issued to settle all bills, and that the balance (\$180.42) be turned over to the Athletic association, with the understanding that if any further bills should be presented they shall be paid by the Athletic Association.

A communication was received from Supt. Jackson, inviting the club to participate in a reception given to the teachers attending the district institute, at the high school building on Monday evening, November 24. On motion the invitation was accepted, and the secretary was instructed to invite all the members of the club to meet at the club rooms on the date mentioned at 7:30 o'clock.

The matter of forming a county organization for the purpose of making ready for the Panama-Pacific exposition was then discussed, and it was finally decided that the sense of the Commercial club organization should be composed of three delegates from this county to the Willamette Valley Association, and one representative from each town in the county. It was ordered that the secretary correspond with the different towns of the county, and lay this proposition before them.

The game was called at 3:45 o'clock and a large crowd of townspeople and students from each institution are in attendance. The game promises to be an interesting and hard fought one. It will settle the championship of the city and will probably place the winners in line to compete for the valley championship.

Moving Pictures of O. A. C. Game.—Over 1,300 feet of moving pictures were taken of the O. A. C.—Oregon game here last Saturday and soon after the development will be shown at the local theater, for the benefit of the fans who were unable to attend. Trainer Hayward's new machine arrived only a few days before the game and he immediately made plans for its use in Albany. A Portland operator working in conjunction, took pictures with a second machine from an opposite side of the field in order to get the teams as they worked back and forth across the gridiron.

ROBERTS THOUGHT HE WAS MARRIED TO MISS RIGGS

That he went through all the necessary rituals of a wedding ceremony thinking he was getting married on a wager, that if his friends would arrange all the details for him, only to later find out that the ceremony was a fake, was the experience of T. A. Roberts, who thought he was a married man and that Miss Mabel Riggs of Portland was his bride from 8 o'clock until 12 o'clock, following a framed up wedding ceremony at the home of P. A. Young, last night.

The affair was a huge joke at the expense of Roberts, but he was equal to the fray in every sense of the word. The event originated from the wager. Roberts declared he would get married if friends would arrange all the details, so Miss Riggs, who is visiting at the Young home was linked in the plot. Everything was arranged to a minute detail. A fictitious marriage license was procured. The service of President Crooks of Albany College was engaged and when the guests assembled at the Young home, it was announced that a surprise was in store for them.

Mrs. Young played the wedding march and Miss Riggs prettily and appropriately attired for the occasion made her appearance. Miss Isabelle Young acted as bridesmaid and Harry Hawkins as best man. P. A. Young gave the bride away. The ring ceremony was used.

After the ceremony the guests enjoyed a splendid supper. Everything progressed in all sincerity. Roberts actually telephoned his mother and informed her he had been married and then made his supposed bride inform her parents in Portland over the long distance telephones. It was not until after 12 o'clock that Roberts was informed of the joke and then the fun came in a great outburst. All through the ordeal Roberts was equal to the occasion.

JUDGE M'KNIGHT CONTINUED CASE AGAINST ED RICHARDS

Took It Under Advisement and Will Hear Further Evidence on Next Monday.

After a hearing in the juvenile department of the county court yesterday afternoon of the case involving the alleged delinquency of Pearl Richards, age 13, Judge McKnight took it under advisement and continued it until next Monday, pending the introduction of further evidence.

Ed Richards, a laboring man, and father of the girl, was made defendant in the petition filed by Mrs. Isabella Southworth. In the petition she alleges that the girl was a dependent child and did not receive proper parental care and guardianship. Richards and corps of witnesses on both sides were present at the hearing, including the girl.

1,100 EUGENE PEOPLE ATTENDED FOOTBALL GAME

Over 1,100 Eugene people attended the game in Albany last Saturday according to reports of the two local railroads and of these a big share stayed over to attend the after-game festivities at night. For hours the streets were crowded. Into a town of ordinarily 6,000 people was poured trainload after trainload of friends and old graduates of Oregon and O. A. C.

Like a G. A. R. reunion, the old times were talked over. Games of 20 years ago were renewed and the real college spirit bubbled and flowed. About it all there was a genuine feeling of good naturedness between the two factions. In a tie game neither side could say that they got the worst of it and they met on an equal plane. Various fraternities and sororities entertained for Oregon and O. A. C. students alike. It was the first real get-together assembly of years and as many expressed themselves afterwards, a logical reason why the annual game should be played on neutral ground.—Eugene Register.

CIRCUIT JUDGE MAY RUN FOR SUPREME COURT SEAT

William Galloway on Bench in Third District Urged to Make Race.

Salem, Or., Nov. 12.—Friends of William Galloway, circuit judge of this district, are urging him to become a candidate on the Democratic ticket for justice of the supreme court. Though the district over which he presides is overwhelmingly Republican, the judge, because of his ability, has held a circuit judgeship in it since 1904. The judge is seriously considering the matter, and will probably announce his candidacy in the near future.

Judge Galloway's political career began when he was elected to the legislature from Yamhill county in 1874. He was re-elected in 1878, and during that session he was chairman of the famous Grover-Watkins-Cann investigating committee. The committee was appointed to probe into the administration of Governor Grover, a Democrat, and the investigation was one of the features of the session. Judge Galloway made it an issue for re-election, and when the committee submitted its report at the next session, 1880, its findings were sustained.
