

## FOOTBALL GAMES IN PROGRESS TODAY

The University of Oregon and Washington Are Battling at Portland.

AGGIES AND WASHINGTON STATE AT CORVALLIS

Albany College and High School Teams Are Up Against Two Other Teams.

Continued from Saturday, Nov. 15

Two big football games in progress this afternoon. The University of Oregon team passed through the city yesterday afternoon for Portland where it is playing the University of Washington team on Multnomah field. The Washington State College football team passed through here last night enroute to Corvallis where they are tussling with the Oregon Aggies on the college gridiron. The Washington football men took supper here at the Hammel hotel.

### Local Teams Play.

While these two great games are in progress, two local teams are engaged on the gridiron. This afternoon a game is in progress on the Athletic Park gridiron, between the Albany College and Pacific University. This noon the Albany High school team went to Halsey where they will play the Halsey Athletic club.

### Aggies Look for Defeat.

That only a miracle can save the O. A. C. from defeat at the hands of the Washington State College team today is the belief of those closely associated with O. A. C. athletics. This is not "dope" lined out before the game merely for effect; it is the straight goods and on conditions as they are.

In the first place, the Washington State College team is a strong combination that has made a better showing so far than O. A. C., and comes thirsting for victory that will place it high in the season's record. On the other hand, O. A. C. is in bad condition.

### Betting Odds Favor Washington

Promptly at 2:30 this afternoon Referee Varnell tooted his whistle and two phalanxes of brown hurled themselves at each other for two hours of punning on Multnomah field at Portland.

Oregon has had its ups and downs, the principal down being the water-logged defeat by Willamette, while Washington, on the other hand, has taken everything on the up-grade. Washington, therefore, is invading the fair of the lemon-yellow with lots of confidence. This confidence, too, has carried the sidelight of railbirds, for there is plenty of money at 3 to 1 odds on Washington win. Even money on 15 points is likewise plentiful.

### Albany College Confident.

Before the fray, several members of the college team expressed themselves as confident of winning. There is a saying going the rounds that the "dope has been spilled," in reference to various contests this year and by this it is hoped that the local team will come out victorious.

### Interesting Game Promised.

An interesting game is promised at Halsey this afternoon. The high school team appears to be a favorite. But if past records are compared, the local boys will not defeat the Halsey Athletics club hussies over five or six points. Albany College held them 6 to 0 at Halsey several weeks ago and the high school boys only defeated the collegians 12 to 0. Therefore the local high school lads are determined to win.

## BEER PARTY NETS CITY SUM OF EXACTLY \$100

As the result of a happening last week in Loo Foo's Chinese restaurant on East First street, a complaint was filed in the police court in which it was alleged that intoxicating liquors were consumed in a public place, and the city treasury is \$100 better off.

For allowing the intoxicants to be consumed in his place of business, Loo Foo paid the sum of \$52 fine and this afternoon the fourth member of the party who drank the booze there appeared in the court and paid his assessment of \$12. Three others had previously paid that amount.

Thus multiplying twelve by four we have forty-eight and by adding the sum of fifty-two we get exactly one hundred. Thus the sum of \$100 has been paid into the city treasury as the result of a little beer party in a public place.

Mrs. W. P. Read, of Salem, returned home this morning after a several days' visit at the home of Mrs. E. D. Sloan.

A Card of Thanks. We wish to thank all of the many thoughtful friends for their kind sympathy and the attention shown us at the death of our beloved son, Jesse D. Wright.

## SCHOOL BOARD OFFERED \$20,000 FOR SCHOOL SITE

Local Real Estate Firm Authorized by Portland Capitalist to Make It.

That a proposition has been made school district No. 5, for the purchase of the Central School block at \$20,000 became known today.

The proposition was made by the Tebault Real Estate Co. who was authorized by a Portland capitalist to make the offer.

It was given out that the offer was made for \$20,000 for the purchase of the block including the building, the terms to be \$2500 cash and the balance when the deed was transferred.

Whether the proposition will receive consideration from the school board could not be learned. For what purpose the block is to be used, in the event of its transfer, could not be learned.

An election is to be held on December 1 whereby the people of the school district will decide for themselves, whether or not they desire to have the property sold. Meantime a proposition is pending for the purchase of the property by the city for a city hall site.

## COUNTY OFFICIAL DOES SOME GOOD SHOOTING

Grant Froman Breaks 23 Out of 25 Blue Rocks at Yesterday's Shoot.

Upholding his record, Grant Froman, Linn county recorder, won the trophy offered by the Albany Gun club at the shoot which was held yesterday afternoon at the traps near Hackleman's grove, by breaking 23 out of 25 blue rocks. Several competed for the honor. The prize awarded was a fatted turkey.

County Recorder Froman is well known as a marksman. He competed in numerous state tournaments during the early 90s and several trophies attest his ability as a crack shot. In one memorable contest between the marksmen of Salem and Albany, each city being represented by a team of eight men, selected as the best shots of the Willamette valley, Mr. Froman made the high score of the contest. Even to this day, as demonstrated yesterday, he is a formidable contestant when it comes to breaking blue rocks.

## FEAR HARDSHIP ON COUNTRY BANKS

Congress Commended for Efforts to Secure Passage of Currency Bill.

CHANGES DESIRED IN MEASURE EXPRESSED

Suggest That Matter of Compulsory Stock Be Eliminated As Applied.

Commending the efforts of congress to secure the passage of a needed currency act but setting up that some of the provisions thereof would work a hardship on the country banks, a committee which was appointed to express the changes desired in the proposed currency bill, at the meeting of group 22 of the Oregon Bankers Association, held here November 8, met and unanimously passed a resolution, a copy of which has been wired to Senator Chamberlain and Robert Owen, chairman of the senate finance committee, at Washington. Copies are to be mailed to other Oregon representatives in congress. Group 2 of the Bankers Association comprises Marion, Linn, Benton, Lincoln and Polk, taking in forty-three country banks.

The following is the resolution and the undersigned compose the committee.

We commend the effort of congress to secure the passage of a much needed currency act, but believe that some of the provisions of the bill as proposed will work a hardship on the country banks.

We would respectfully suggest, first, that the matter of compulsory stock investments be eliminated in so far, at least, as applied to banks of less than \$200,000 capital. It is the sentiment of the banks of the group that this matter should be thrown open to popular subscription.

Second, that the requirements of the bill forcing country banks to keep their reserve in the regional banks without interest be modified so as to permit these banks to carry their reserve with former correspondents, as done at present.

Third, that provision be made for the immediate redemption at par of the two per cent bonds now held by national banks as security for circulation and deposits.

## LOCAL BUTCHER BRINGS SUIT AGAINST DAIRYMAN

M. B. Craft Wants Judgment on V. C. Schultz for Several Dollars.

Demanding judgment in the sums of \$227.46 and \$20.40, M. B. Craft, a butcher of Albany, has filed suit in the circuit court against V. C. Schultz, former proprietor of the Jersey Dairy, alleging that the defendant has failed to pay an account for meat delivered to him.

The plaintiff alleges that on and between the first day of April, 1913 and the first day of November, 1913, he sold and delivered to the defendant meats of the reasonable value of \$240.35. It is alleged that the defendant has failed to pay any part of the bill save and except the sums of \$2.50, \$5.55 and \$4.85, paid in milk furnished the plaintiff during months from April to October. It is claimed that a balance is due the plaintiff of \$227.45.

For a second cause the plaintiff alleges that one A. W. Dockstader sold to the defendant between August and October, wood of the value of \$20.40 and that no part of this bill has been paid. Dockstader, it is claimed, assigned this account to the plaintiff for value received. Attorneys Hewitt and Sox represent the plaintiff.

Turkey Liberated.—This noon a large crowd gathered in front of M. Sternberg & Co's store to watch the wild scramble for the live turkey, which was liberated by that firm from the roof of the store, that perchance they may secure a Thanksgiving dinner. The turkey soared gracefully to Ferry street and was finally captured in the alley near Washington and Water streets.

Smoker Held Last Night.—A general good time is reported by those who attended the smoker given last night by the members of the local militia company, in the Albany military club room at the armory. After a program consisting of short talks by the members a lunch was served, after which all enjoyed a social session.

Another Pierce Bicycle Stolen.—Another Pierce bicycle was reported as stolen last night when R. Archibald discovered his wheel missing this morning. That the thief who is operating here has a particular taste for Pierce bicycles, is indicated by the fact that two wheels of this make are now reported stolen last night.
