

## WEST PREPARING TO REMOVE RAND

Sheriff of Baker County Will Be Supplanted Till Trouble Blows Over.

FERN HOBBS WILL REMAIN AS STATES'S PROSECUTOR

Copperfield Under Hand of Militia, Saloon Officials Arrested by Soldiers.

(By United Press Association) Salem, Jan. 3.—Governor West is preparing to have Sheriff Rand, of Baker county, supplanted until the situation at Copperfield is entirely settled. Again will Miss Hobbs play an important role as the representative of the chief executive of the state.

Governor West today wired Judge Anderson, of Baker County, asking his advice as to the earliest day a hearing can be had to obtain the removal of Rand. The governor advised Judge Anderson that Miss Hobbs will represent him as special counsel and present the state's case. West also wired Miss Hobbs to remain in Baker to attend the matter. She was admitted to the bar last year. The action of the governor was taken under the provision law which states that if an officer does not perform his duty, he may be temporarily supplanted.

**Lawson and Citizens in Command.**  
Copperfield, Or., Jan. 3.—Copperfield today is being governed by Col. Lawson and his five militiamen, together with a special committee of citizens appointed by Lawson. Col. Lawson called a meeting of citizens today and issued a special order appointing the committee which he hopes to leave in control of the situation here when he leaves Monday. R. T. Grim, a local carpenter, was chosen chairman of the committee and is therefore acting mayor. Six others are on the committee, all citizens of Copperfield.

**Will Still Be Under Martial Law.**  
For the time being Copperfield will remain under martial law. Should there be any disposition on the part of the ousted officials, all saloonmen, to oppose the new government inaugurated by Lawson, part of the guard will be left here. The mayor and his supporting councilmen seem too utterly taken aback by the suddenness of things to collect their forces for united resistance. The mayor was arrested as he was boarding the train for Baker to confer with Nicholls, the saloon faction's attorney, barely half an hour after the saloons had been seized by the guardsmen with loaded rifles, and closed.

**Four o'Clock Spells Confiscation.**  
Four o'clock this afternoon is the hour set by Col. Lawson for the seizure of all liquor and bar fixtures if the order of Governor West demanding that all liquor and saloon fixtures be shipped out of the territory, is not strictly adhered to.

## DEFERRED ORDINANCES MAY BE LEFT FOR NEW COUNCIL

An effort was made this morning by a Democrat representative to find out when the two deferred ordinances designed to prohibit the running of moving picture shows on Sundays and card playing, dice throwing and other games of chance in public places, would come up for further action, with no avail.

Inquiry of Mayor Gilbert, Recorder Van Tassel and City Attorney Swan failed to produce the desired information. It was at the request of several people that the information was sought. However, the mayor stated that the measure may come up at Monday's meeting but intimated that it was improbable and in this event would be left for the new council for action.

## STOCK LIQUIDATION WAS LIGHT AS IS CUSTOMARY

Portland, Or., Jan. 3.—Receipts for the week at the Union Stock Yards have been: Cattle, 781; calves, 2; hogs, 2787; sheep, 3712.

**Cattle.**  
Livestock liquidation during the last week of 1913 was light as is customary; the bulk of shippers planned to spend the holidays at home and postponed coming to market until early in the new year.

The cattle trade has been showing considerable strength recently as killers have been busy clearing up their mid-December surplus. The demand for beef is not strong enough, however, to elevate prices on poor stuff, and only the prices of grades have advanced. Best steers sold from \$7.75 to \$8.10 with the bulk at about \$7.80 to \$7.90. Butcher stock had a slow time, as supply contained very little choice material. Cows at \$6.80, heifers \$7.00, bulls \$5.75 and calves \$7.50 to \$9.00 are top quotations.

**Hogs.**  
The swine market took a sudden upward trend and even touched \$8.00, although \$7.90 was a liberal top for bulk of prime light hogs the early part of the week. Receipts were light and Monday's run was the smallest in months, but eleven loads came into the open market Friday and tops moved freely at 8 cents.

**Sheep.**  
The sheep house filled up early in the week, but has been depleted since. Fancy lambs selling at \$6.35 featured. Mutton business was temporarily full, due to short receipts, and the majority of transactions consisted of mixed stuff.

Generally, sheep and lambs, hogs and cattle are all on a steady basis to commence the new year.

## HEAVY LOADS ARE BARRED ON ROADS

County Court Issues Order Regulating Size of Wagon Tires and Loads.

ORDER WILL BE IN EFFECT UNTIL MAY 1

Is Result of Damage to Stretch of Road on Albany and Scio Highway.

Because a stretch of road was greatly damaged by the hauling of excessive loads of piling, the county court yesterday issued an order regulating the weight of loads and the size of wagon tires, transported on county thoroughfares, which will be in effect until May first.

By the order not more than 2000 pounds may be hauled on a wagon with tires of a width less than four inches. On a wagon having tires between four and six inches, not more than 2500 pounds may be hauled and 3000 pounds may be hauled on a wagon with tires of six inches or more. This is also stated as the maximum load for any kind of wagon.

The order is the result of damage to a certain road in district No. 16, which was called to the attention of the court. The section of road is on the Albany and Scio highway, being sixty feet in width and begins at the southwest corner of the donation land claim of Joel Calavan.

According to the order, Elmer Russell, through his employees has caused the road to be greatly damaged, by hauling heavy loads of piling. The sheriff has been notified to serve a copy of the order on Russell and instruct him to comply therewith. After May 1 the order will be nil until next year.
