

Terrific Selling Marks the CHAMBERS & McCUNE Absolute Clearance Sale! Lease Positively Expires Feb. 6!

Even greater crowds than at the beginning of this great sale have thronged the store since last Friday, when the final smashing reductions, to absolutely clear the store, went into effect.

Never within your memory have you been able to buy quality merchandise at such a tremendous sacrifice. We are going to lose thousands of dollars in this effort to clear out every article in our stock before the lease expires Feb. 6, and we are forced to quit the Elks' Temple. It is a double event, combining our great annual January Clearance Sale and final wind-up of Forced-to-Move Sale.

Don't put off coming---barely three weeks until the doors close on this gigantic sale! Join the crowds here tomorrow! Remember, every article is going at sacrifice price---positively nothing reserved
