5000 TROOPS WILL BE SENT TO CUBA

Army to Help Restore Quiet in Disorderly Provinces of Insular Possessions.

INFANTRY AND ARTILLERY GET PREPARATORY ORDERS

Will Embark On Transports and Proceed to Eastern End of Island.

Washington, June 7.—Preparatory orders were issued today by the general staff of the army for the dispatch of 5000 troops to Cuba. It was ordered that the four large army transports at Newport News be put in commission, provisioned and supplied. Troops from which the troops to be sent to Cuba will be drawn also were notified that the forces designated should be made ready for the projected movement.

At the War Department it was emphatically asserted that if the expeditionary forces did go to Cuba it would not be with any thought of present interference in the affairs of the island or the government.

The principal object would be to aid Cuba in restoring order. It was said the troops probably would be dispatched to the eastern end of the island and would not go near Havana.

The military exponents of the proposed expedition will be the Fifth Infantry, Plattsburg Barracks, New York; Twenty-Ninth Infantry, at Fort Porter, Jay and Niagara, New York; the Seventy-Seventh Infantry, Cavalry at Fort Oglethorpe and bat. at Fort McPherson; the Eleventh Cavalry, at the Fourth Field Artillery, a mounted battery, at Fort D. A. Russell, Wyo.

A statement by General Estenez, the insurgent chief, denying that the rising was a race war or that the insurgents had been guilty of wanton outrages was made public at the state department. It came from Estenez through George Collier, the American ranch-owner, who was reported captured.

Estenez says that the negro in Cuba has been deprived of his constitutional rights.

Estenez asserts that he has learned that American mining companies have armed their laborers and that he has warned them that if the laborers are permitted to fight the insurgents "we shall retaliate by killing every gallego on whom we can lay our hands."

GOVERNOR WEST IN CITY LAST NIGHT WHILE ENROUTE TO BERRY FESTIVAL

Governor Oswald West, chief executive of the state, arrived from the Capitol City last evening and remained over night in this city at the Van Druen hotel going to Lebanon this morning, where he is the principal speaker today at the strawberry festival.

The governor is in excellent health, despite the fact that he has been exceptionally busy at the capitol the past few months with affairs of state, and was loaded with "good roads" ammunition for the hundreds of farmers who will attend the berry festival at Lebanon today.

Governor West was accompanied by C. E. Spence of Portland, master of the Oregon State Grange, who is also booked for an address in Lebanon today.

Twenty Years Ago

There is general confidence in a good harvest. A good evidence is the live business of Stewart & Sox, in threshers and engines. They have sold five Masillon Threshers during the present week.

W. C. Westlake has sold his farm this side of Lebanon, consisting of 120 acres, to Dr. Williams of Portland, for \$4000.00.

L. M. Curl and Percy R. Kelly were admitted to the bar at Salem yesterday, passing creditable examinations.

Geo. W. Wright has returned from a trip to Brownsville where he made some live Democratic speeches.

This is a great strawberry year. The price has gone down to six and eight cents per box.

L. E. HAMILTON MEMBER OF THE ADVISORY BOARD

Local Business Man is Elected to High Office in American Sunday School Union.

Mr. L. E. Hamilton, one of the best known business men in the Willamette Valley and prominent in local church circles, has been selected a member of the Advisory Board of the American Sunday School Union for the Pacific Northwest. He also has been elected vice president of this association. During his residence in the city of Albany, Mr. Hamilton has always taken a great interest in this line of work and his friends claim that no man in Oregon is better qualified for the honor than Mr. Hamilton.

This society is the oldest Sunday-school missionary society and the only inter-denominational Sunday school missionary society in America, and from the standpoint of regularly employed workers, the largest in the world. It is an incorporated body of Christian individuals, its affairs directed strictly by business men, acting as a supplemental agency to the denomination in caring for the outlying and mixed neighborhoods until developments admit of some regular denomination caring for these points.

Mr. G. W. Rohrbach of this city is in charge of the missionary work for this particular locality and has been very successful.

He has traveled over 2000 miles and established nine Bible schools with an aggregate membership of 465 scholars. Nearly five hundred families have been visited and preaching secured for a number of points which heretofore were without the services of a pastor. Sixty-four conversions have been reported and Christian literature is being constantly distributed among the people.

ALBANY LADIES WILL DECORATE CARS OF RAILWAY OFFICIALS NEXT WEEK

Manager Stewart received a telegram yesterday from C. C. Chapman, secretary of the Portland Commercial club, stating that fourteen car loads of the Eastern Delegates who have been in attendance at the Northwestern Development League at Seattle, would arrive in Portland tomorrow, and remain there until Tuesday before starting on their way east.

Among the delegates are quite a number of the officials of the Great Northern railway, and it was suggested by the Portland club that the Commercial clubs of the different cities through which the Oregon Electric railway passes, might be glad to show their good-will by contributing a lot of flowers for decorating the excursion cars.

This morning Mr. Stewart placed the matter before Mrs. J. K. Weatherford, president of the Ladies' Civic Improvement club, and the members of that organization, have very kindly consented to supervise the matter. It will require quite a large lot of roses and other flowers to meet the requirements and it is earnestly desired by the ladies that all who have any to spare shall telephone Mrs. Weatherford on Monday forenoon, and in the afternoon automobiles will call for them.

It will save a great deal of time and trouble if they can be picked and placed in baskets or paper boxes before the automobile calls.

A. R. McCoy went to Lebanon this morning on a short business trip. Supt. L. R. Fields, of the S. P., passed through Albany this morning in his private car "California", from an inspection tour of Southern Oregon. Mrs. Millard F. Hayes and daughter, of this city, returned home this morning from Lebanon, where they attended the berry festival yesterday.

400 ALBANIANS AT LEBANON FESTIVAL

Big Display of Luscious Fruit and Exhibit of Flowers Are Admired by All.

J. S. VAN WINKLE OF ALBANY ADDRESSES FAIR VISITORS

Lebanon Residents Will Be Here to Help Celebrate On Fourth of July.

About 400 people visited the Strawberry fair at Lebanon yesterday, and all report a successful fair and a big day. Three carloads of Albanians went on the morning train and another big crowd on the noon train, and more than a score of automobiles carried local people to Lebanon during the day.

The fair this year is a very successful one. There is a good display of big, perfect strawberries, and a wonderful display of choice flowers in the strawberry pavilion also won a great deal of favorable comment from the visitors. There was a big parade of decorated automobiles in the forenoon, and good music throughout the day, and a number of amusement features furnished plenty of attractions for the visitors.

There was an immense crowd in Lebanon from all parts of the surrounding country, and the Albany people who visited the fair all returned enthusiastic in their praise of the success of the event, and of the hospitality of the Lebanon people. The hearty spirit of friendly co-operation which now animates the two cities was manifest throughout the day in various ways.

At the afternoon program of the fair, J. S. Van Winkle represented Albany and gave a splendid address. He commented on the many improvements which are being made both in Albany and Lebanon, and assured the people of the Strawberry City of Albany's interest in Lebanon's growth and development.

All of the Albany people boosted the big Oregon Electric celebration which is to be held on July Fourth, and reported that the people of Lebanon are heartily interested in making it a great success. Practically all of the people of that part of the county are planning to come here and help us celebrate this event.

The Lebanon people are evincing great interest in the construction of the Oregon Electric, and are glad to see Albany connected with Portland with an electric line, and it is their purpose to help us celebrate the coming of the Oregon Electric in memorable style. A big excursion from Lebanon to Albany on the Fourth will probably be arranged.

People attending the berry fair at Lebanon yesterday from this city, report that although several hundred people were in attendance from the Hub City, not one had an Albany badge on, but several from this city, it was stated had Eugene badges on.

A card was received by the Democrat today from G. W. Pennebaker, manager of the Albany nurseries, who is attending the annual convention by the Pacific Coast nurserymen at Salt Lake City. The picture shows Mr. Pennebaker and his daughter, Miss Pauline, in the crowd of people in the water.

COLLEGE STUDENTS WILL GIVE CLASS PLAY ON CAMPUS MONDAY

On next Monday evening, the regular play for the Senior class day exercises, the Tekonah club will give the farce comedy, "Mr. Bob". The class day exercises are one of the important events of the commencement week of the college, and the program arranged for this year will be particularly interesting.

Miss Lucille Hart, who is to graduate with the class of '12, will also deliver an oration on the subject, "The Key of Knowledge," as a part of the program. Miss Hart is returning from Stanford University where she took special work the past year, and will receive her degree from Albany college.

The public is invited to the campus for these exercises, which will be the next the college has presented.

"Mr. Bob" is a comedy in two acts, full of witty sayings and humorous situations. The plot hinges about the identity of two persons, one of whom is the supposed "Mr. Bob". The characters have been chosen carefully and the cast is very good. The Tekonah club, one of the new organizations of the college, is giving the play upon the campus, and will raise the curtain at 6:30 p. m. Monday evening.

S. S. Meyers of Shedd, was a visitor in Albany yesterday, and attended the dedication exercises of the new Masonic temple at Corvallis on Friday night.

D. C. Herrin, a prominent insurance man, of Portland, was in Albany yesterday. Mr. Herrin was formerly the head official in Oregon of the A. O. U. W., and has the distinction of being a brother of W. F. Herrin, of San Francisco, the head counsel of the Southern Pacific.

FORMER ALBANY PEOPLE LOCATED IN MONTANA ARE PROSPERING

Horace Armstrong of Tangent, returned this morning from a few weeks' trip to Montana, where he has been visiting friends and relatives, stopping at Havre, Great Falls, Helena, Missoula and other places.

While at Loma he enjoyed a short visit with Omar Mitchell, who drove the wagon for the Wells-Fargo Express company here for over ten years, and who left for Montana to reside last year.

He says that "Mitch" is looking exceedingly fine, with a healthy complexion, which he has attained from working in the sun and wind up there. He also saw Mr. and Mrs. Floyd Williams, former young people, who were married here this spring and went to Montana to reside.

They have a fine ranch of 160 acres near Loma, not far away from Mitchell's place and Armstrong says they are getting along nicely and apparently enjoying outdoor life on the Montana plains.

Mr. Armstrong went to Lebanon this morning, where he will visit with friends and relatives, going to Tangent tonight, where he will spend the summer at home.

BARN ON FARM OF CRABTREE FARMER BURNS TO GROUND AT 5 A. M. TODAY

The large barn on the farm of John Riley, who resides one mile north of Crabtree, was completely demolished by fire at 5 o'clock this morning. Mr. Riley managed to save his horses and other farm implements were lost. Other livestock, but his machinery and the night in the hay loft and wharf.

The origin of the fire is unknown but it is supposed that a tramp spent smoking dropped a lighted match in the hay. No information was obtainable as to whether or not the loss was covered by insurance.

Homer's Odyssey Is a Big Hit.

A great production was the veritable triumph of the many citizens of Albany. Homer's Odyssey at the opera house last evening.

At a cost of over \$200,000.00 this great moving picture was staged and is a well worth the twenty-five cents admission, is admitted by everybody last evening. The same picture one who was fortunate enough to attend will be put on again tonight at the opera house.

An Excellent Performance.

J. Busby's Minstrels played to a crowded tent last night. They were arranged a new schedule for their visit to the city under canvas. They have an excellent performance especially the aerobic features and the dancing, while the old time minstrel performance and songs delighted the audience. They carry a fine band and are a tuneful, musical, talented crowd. - Yates Center Advocate, Albany, Saturday, June 15.
