

# PROGRESSIVE DEMOCRACY WINS DECISIVE VICTORY AT BALTIMORE CONVENTION THIS AFTERNOON

Tammany Hall Defeated and Wilson-Bryan Forces Score a Complete Victory, the Nomination of Woodrow Wilson of New Jersey Being Unanimous--Governor Wilson Was Nominated on 46th Ballot, Receiving 996 Votes to 84 for Speaker Clark.

(Special to Evening Democrat by United Press.)

Baltimore, July 2.—For president of the United States, Governor Woodrow Wilson of New Jersey. This was the result of the most remarkable convention ever held in the history of American politics.

With only 324 votes on the first ballot, the New Jersey executive steadily gained ground until he finally secured the necessary two-thirds majority of the delegates and won a nomination for the highest office in the gift of the people.

Never before in the history of the party have the lines been so closely drawn between the progressives and conservatives; and never before has the progressive wing of the party won such a complete victory over Tammany hall, as that won by the Wilson-Bryan democrats this afternoon.

The climax in the great battle at Baltimore came on the 45th ballot, on which Wilson received 633 and Clark 306. No sooner had the result been announced than Underwood wired his managers to formally withdraw his name. The receipt of this message was followed by a statement from Champ Clark in which he released all delegates instructed or pledged to his candidacy. Governor Foss then withdrew from the race in favor of Governor Wilson.

Senator Stone of Missouri asked and obtained unanimous consent to make a statement. Amid wild scenes he announced that he conceded the nomination of Governor Wilson but stated that the Missouri delegation would stand pat on Clark until the finish, but if defeated, Clark will loyally support the convention's choice.

Fitzgerald of New York then obtained recognition from the chair and moved that the nomination of Wilson be made unanimous. Senator Reed of Missouri was on his feet in an instant and in a brief statement said that the Missouri delegation would depose the nomination of Wilson by acclamation and would be found voting with the speaker until the last ballot was taken.

On the 46th ballot Wilson received 990 votes, Clark 84, and Harmon 12.

The result of the ballot had no sooner been announced than Senator Stone of Missouri obtained recognition and moved that the nomination of Governor Wilson be made unanimous. The motion was carried without opposition. Wilson was formally declared nominated and the convention adjourned until 9 p. m.

## ILLINOIS DELEGATION GOES TO WOODROW WILSON

(Special to Evening Democrat by United Press.)

Baltimore, July 2.—When the Democratic National convention was called to order at 12 o'clock today the balloting was at once resumed.

On the 43rd ballot today Illinois broke away from Champ Clark and cast fifty-eight votes for Governor Wilson. The announcement of the Illinois vote was the signal for a prolonged demonstration by the Wilson men which was again renewed when the West Virginia delegation cast its sixteen votes for the New Jersey governor. On the same ballot Maryland gave Clark nine and Wilson five and one-half votes.

The result on the 43rd ballot was as follows: Clark, 329; Wilson, 602; Underwood, 98; Harmon, 28; Kern, 1; Foss, 27; Bryan, 1; absent one.

## WILSON GETS SOLID VOTE OF THE INDIANA DELEGATION

(Special to Evening Democrat by United Press.)

Baltimore, July 2.—On the 44th ballot today the state of Indiana broke from Speaker Champ Clark and cast the solid vote of the delegation for the New Jersey governor. On the same ballot Colorado broke and cast its nine votes for Wilson. Heretofore Colorado has remained with Clark on all ballots. On the same ballot the solid vote from the states of Pennsylvania, Utah and Wisconsin were cast for Wilson.

On the 44th ballot the vote was as follows: Wilson, 629; Clark, 306; Underwood, 99; Harmon, 27; Foss, 27. A Washington delegate demanded a pull of his delegation on the 44th ballot.

A large crowd of members attended the regular meeting of Laurel Lodge, Knights of Pythias, of this city last evening. Another new member was initiated last evening and other business transacted.

Earl Mayo, of Portland, a former Albany young man, now one of the head engineers for the S. P. company, was in the city last week changing the grade of the railroad on Water street. Mayo is a graduate of the engineering department of the U. of O. and had charge of the surveys for the Tillamook railroad recently completed and is the son of a former Albany railroad man. He was accompanied by C. M. Irwin.

## Nothing to Say.

"I have nothing to say," snapped Colonel Roosevelt when told by the United Press that Governor Wilson had been nominated at Baltimore.

## DOMESTIC SCIENCE

The Chautauqua management has been fortunate in securing a most capable and experienced instructor in domestic science during the assembly. Miss Sutherland was graduated from the O. A. C. and was retained as an instructor there for four years. Since that time she has taken a degree from Columbia University, N. Y. City, and during her stay in N. Y. was employed as instructor in Miss Helen Gould's Lyndhurst School for Girls. She was also director of the Manor Church School for two years, having four assistants under her. She was also appointed city lecturer for The People's University Society, to lecture in social center work before clubs.

Her latest work has been in Grand Forks, N. D., as director of domestic science and art to install the work and plan courses of study.

It is seldom the ladies of Albany have the opportunity to receive instruction from a person of such wide experience and we urge them to give Miss Sutherland a good class. Class work from 9 to 10 a. m. Lecture from 4 to 5 p. m. each day, beginning Friday. For the entire course 50 cents will be charged to cover the cost of materials.

## PORTLAND DEVELOPMENT PAPER GIVES ALBANY AND LINN COUNTY A BOOST

A splendid writeup of Albany and Linn county appeared in the newsy sheet which is issued regularly by the Chapin-Herlow Mortgage and Trust Company of Portland and the state of Oregon.

The writeup of Albany was written by someone who knew what he was writing about, for the story is based entirely on facts and well written.

The story tells of the splendid location of Albany, soil of the surrounding country, railroads, manufactories, paved streets, hotels and business houses, newspapers, etc., and contains half-tone cuts of Mayor Gilbert, Willamette river, steel bridge, and Cusick's bank.

Of the Evening Democrat, the writer had the following to say: "The Albany Daily Democrat, established in 1865, has just passed into the hands of William H. Hornbrook, formerly a State Senator in Idaho. The new owner has put in a complete new dress and plant, and is putting out a seven-column sheet, all local matter, without boiler plate or fake advertising."

## OAKVILLE.

Harvey Smith, accompanied by his sister and brother-in-law, Mr. and Mrs. Fred Smith of Halsey, were visiting friends here last week. Mr. Smith is a bridge carpenter on the O. E.

The hay crop is good but the rains spoiled some of it.

The old ferry at Corvallis will soon be moved up the river ten blocks where it will remain while the new steel bridge is being put in place. After the bridge has been dedicated the old boat will be shot full of holes by the boy scouts in command of Capt. S. K. Hartsock. The shooting will be done by air guns loaded with hot air.

The assessor passed through here last week.

"Sage Rooster" will be in Albany on the 4th. One talented man from a distance is enough, so we will visit Corvallis and get some of the fat beef and see the "steam roller" and hear some of the finest band music in the state. (The Oakville band will be there.)

Capt. Galbraith will not be back for the celebration but will come as soon as he can build a house on his farm at Coquille.

## ALBANY DEFEATS JEFFERSON NINE

Visitors Were Unable to Score Until Eighth Inning and Only Secured One Run

## SALISBURY PITCHED FINE GAME AT PARK YESTERDAY

Contest Ended With Score of 12 to 1 Favor of Strong Local Aggregation.

The ball game at this city yesterday afternoon between the fast Jefferson nine and the Albany Athletics was one of the best games of the season despite the fact that the game finally ended with the score of 12 to 1 in favor of the home boys. The visitors played a fine game but were unable to score until the eighth inning when they managed to send one of their men across the plate on an error by Morris.

Morris, who did the twirling for the visitors, pitched a splendid game and was well supported by the remainder of the team. Salisbury, who did the heaving for Albany, was in fine trim yesterday and his work in the box was commendable, his excellent judgment and headwork pulling the Albany team out of several tight places during the game.

Monson and Bigbee were the star sluggers for the local team yesterday, the former smashing a beautiful hit out to left field when the bags were full, in the last of the eighth inning, thus bringing in three runs. He was followed a few minutes later by Carson Bigbee, who repeated the stunt of rapping out a three-bagger, which brought in two more of the Albany boys. Bigbee scored a few minutes later, making the total number of runs in the eighth inning for Albany six.

Mickel played his best game this season in left field yesterday, making several difficult catches. Albany made one run in the first inning, two in both the second and fifth innings, one in the sixth, and six in the eighth.

The game was umpired impartially by Dave Patterson of this city, and a commendable feature of the game was the absence of the customary amount

of "rag chewing" by the visiting team, the members of the Jefferson team all conducting themselves as gentlemen.

The game was not quite as well attended as usual owing to the uncertain weather which prevailed. On Thursday July 4, the Athletics will play two games with the Knights of Columbus team of Portland, which recently gave the Albany team its first defeat this year.

The morning game will be called at 9:15 o'clock and the afternoon game at 2:30 o'clock. The Athletics will play Mt. Angel at this city next Sunday afternoon.
