**JUNKET TO MOUNTAINS WILL

**Agent Mickel of S. P. Company
To Accompany Excursionists
To Look After Train.**

The special excursion train of the Knights of Pythias lodge of this city will be run to Detroit from Albany on Thursday morning, August 1, and hundreds of local people have already signified their intentions of taking a day off and going to the woods for a day's outing.

The committee having the arrangements for the trip in charge, consisting of George C. Richards, John G. Bryant, Leland R. Gilbert, Ralph McKechnie and Perry R. Conn, reported at the regular meeting of the lodge last evening, that one fare had been granted them by the Southern Pacific company to whatever point they may wish to go on the line and that a first-class train has been secured, consisting of large and comfortable coaches.

A. A. Mickel, the genial agent of the Southern Pacific company at this city, will accompany the excursionists on the trip and will see that everything is done for the safety, comfort and convenience of the crowd. A number of large banners bearing the name and number of Laurel Lodge No. 7 of this city will adorn both sides of the coaches, while several hundred appropriate badges are being printed for the trip. The exact time for leaving this city has not yet been decided but will probably be announced tomorrow, after the members of the committee meet with Mr. Mickel this evening to complete all arrangements for the trip.

The crowd will probably be taken to Breitenbush creek, about a mile this side of Detroit, where there is located one of the most beautiful picnic grounds in Oregon. Everybody will take their lunch with them and a most enjoyable time is promised to everybody who attends and a long day will be spent in the Cascades, the train probably not leaving on the return trip until 8 or 9 o'clock in the evening. Further details regarding the excursion will be announced from time to time through the columns of the local press.

ROOSEVELT MEN RESIDING HERE WILL GO TO PORTLAND

A large delegation of Roosevelt men of this city are expected to go to Portland on Thursday to attend the big Roosevelt meeting which will be held there on that day, when five delegates from Oregon will be appointed to the National convention to be held in Chicago next month.

J. R. Schultz of this city is getting the crowd together to go to Portland on Thursday and has requested that all those wishing to go will hand their name to him at once as a special rate can be secured on the railroads if a sufficient number be secured.

It is also understood that the Roosevelt men of this city will organize in the near future to cooperate with the state organization and work toward the election of Theodore Roosevelt at the election in November.

CARSON'S BUFFALO RANCH SHOWS COMING TO ALBANY

Bill posters are busy today decorating the boards of the Hub City with posters announcing the appearance here on Saturday, August 3, of Kit Carson's Buffalo Ranch shows. There will be two performances one in the afternoon and one in the evening.

A feature of the show will be the aeroplane flights to be given during the day, the company carrying a Curtiss-Farman machine with an aviator, who will circle over the city and alight at the show grounds.

The Misses Allen Munkers and Sadie Groshong of this city went to Blodgett this afternoon where they will visit friends for a few days.

A. E. Keith of the Hamilton store this morning made a record. He left his home on Walnut street at 6:40 and reached the store at 6:55, on the way catching a large bass and a fine trout in the Calapooia just above the bridge, and, these without a pole, but with a long line and a heavy fake fish, which he throws a long distance, with his foot on the reel. He telephoned his wife at 7 o'clock not to buy any meat for dinner as he had plenty. You don't have to go away from Albany for an outing. Plenty of fish right here if you know how and when.

RETAIL GROCERS TO MEET IN ALBANY

**State Association to Convene
At Hub City Next January
In Annual Session.**

**HUNDREDS OF DELEGATES
WILL BE IN ATTENDANCE**

**Albany Selected as Meeting
Place at Medford During
Recent Convention.**

Several hundred delegates from all parts of the state will come to Albany in January to attend the annual convention of the Oregon Retail Merchants' Association, which will be in session here for a week, and local grocers are now beginning to make their plans for the entertainment of the visitors.

The state convention was held last February at Medford at which time it was voted to meet this year at Albany. The state association is one of the strongest on the coast and at the last convention many important matters relative to the retail grocery business were discussed and several resolutions passed which were of benefit to the merchants.

The coming convention at this city promises to be of even greater importance and many new problems now confronting the merchants will be discussed and acted upon. Albany merchants are planning to meet soon and perfect the local association so that everything will be in readiness for the reception of the visiting grocers and their ladies during the month of January.

LEBANON CHILD IS STONE BLIND

**Two and One Half Year Old Son
of E. Porter Swallowed 62
Grains of Quinine.**

**HE IS BROUGHT TO ALBANY
FOR MEDICAL TREATMENT**

**Child's Eyes Are Yielding to
Treatment and Sight May
Be Restored Soon.**

After swallowing sixty-two grains of quinine, the two and one-half year old son of Mr. and Mrs. E. Porter of Lebanon was unconscious for nine hours and rendered stone blind, the death of the child only being averted by the prompt action of the physician who was hurriedly summoned to the Porter home.

The child was brought to Albany last night and placed in charge of Dr. Stark of this city and from all indications the child is improving under the treatment.

Mrs. Porter was being treated by a Lebanon physician for neuralgia and left some two-grain quinine pills on the dresser. These pills were later discovered by the child who swallowed the sixty-two grains and keeled over on the floor from the effects of the drug. The family physician was hurriedly summoned and the prompt action of the doctor was all that saved the child's life.

While the child has been stone blind since Saturday, Dr. Stark said this afternoon that the eyes were slowly yielding to the treatment and that he fully expected the eyesight to be restored in a few days.

\$60,000 WAITING FOR UNKNOWN MAN IF ALIVE

Philadelphia, July 23.—"In the spring of 1880, a few miles from Lancaster, Pa., a boy child was born to a German girl named Caroline, who a short time after died, but the child lived. If any one can give any information about this, kindly write to C. J. Nyholm, No. 478 North Third street, Philadelphia."

Investigation today of the above notice, which recently appeared in Lancaster papers, brought to light a story of a wrong, its unhappy consequences and finally repentance and the desire to make amends by the settlement of \$60,000 on the child, now a man, if alive.

The boy has not been seen by his father since 1888. The father, who lives in Philadelphia, is moderately wealthy, according to Mr. Nyholm.

OREGON TROOPS ADVANCE ON ENEMY IN MANEUVERS

Brigade Headquarters, in the Field, near Satsop, Wash., July 22—Two battalions of the Third Oregon Infantry, acting as advance guard of the Red Army, passed Satsop, eight miles from Montesano, shortly before noon today, after a cautious advance through hostile territory, and the march on Seattle and the Puget Sound district will continue through the day with the Oregon troops ahead of the column. Camp for the night will be established near Elma, with the Oregon troops on outpost.

The demand on the energy and militia experience of the Oregon troops is extreme, inasmuch as flankers have to operate through heavy underbrush and timber, and all roads must be explored.

Camp was struck at Montesano at 6 o'clock this morning, all troops getting under way promptly. In all details of camp breaking and taking up reconnaissance, the Oregon guardsmen acquitted themselves with great credit. One Oregon man was over- come while operating with the advance guard and was picked up by the Oregon ambulance detachment. Otherwise the troops are in fine fettle and the best of condition.

FATHER WINS OVER SON IN RACE FOR A BRIDE

Paris, July 23.—Competition between father and son for the hand of the widow of Jeremiah J. Mullen of New York has resulted in the father vanquishing the son, and the announcement of their approaching marriage has been made.

Mrs. Mullen is a daughter of John Fish of 1947 Seventh avenue, New York.

One night at the opera in New York Senior Ignatz Englez, an Italian visiting America on some work for his government, and his son Italo, saw Mrs. Mullen in a box and both father and son simultaneously became enamored.

When they learned that Mrs. Mullen was to sail for Europe in a few days they booked passage to follow her.

On board Mrs. Mullen showed a decided preference for the son, to the chagrin of the father, but finally the more experienced pleading of the father won out, and their wedding will take place within two months.

Miss Grace Payne of Blaine, Washington, who has been spending a few days at Newport, passed through Albany this afternoon enroute home. Miss Payne recently returned from Appleton, Wisconsin, where she attended a school of expression. She is a former Albany young lady, a sister of Mrs. Robert Torbet.
