

LINEMAN NABBED BY SHERIFF SMITH

Fred Kramer Who Escaped from Newport Jail Wednesday Is Arrested Here.

ALLEGES OFFICERS OF THE RESORT CITY OPENED DOOR

Was Arrested at Seashore and Fined for Annoying Young Ladies Last Week.

MONDAY

Fred Kramer, a telephone lineman of this city, who was arrested in Newport last week and sentenced to pay a fine of \$100 or serve 50 days in the city jail there for annoying several respectable young ladies of that city, successfully made his escape from the city jail there last Wednesday night and all efforts to locate him were futile until he was arrested here last night by Sheriff Smith upon receipt of a telegram from Police Judge Jenkins of Newport. An officer arrived from Newport at noon today and returned the prisoner to that city.

Kramer, when arrested by Sheriff Smith, claimed that he didn't break jail, but that the Newport officers on Wednesday came down to the bastille and unlocked the door and told him to get away that evening, which he did, Kramer alleging that the officers of the resort city replaced the lock on the door with an iron bar, so that all that was necessary for him to do was to take the bar out and "beat it."

Kramer also stated that the officers brought him all his belongings before they "fixed" the lock for him on Wednesday. Several of Kramer's fellow linemen have signified their intention of "sticking" with Kramer and seeing the case through, saying that Kramer was turned loose by the officers and that if he was going to be arrested again, they were going to know the reason why. One of Kramer's friends accompanied him and the officer to Newport today.

Kramer was arrested a week ago at the summer resort after many complaints had reached the officers from several respectable young ladies who were spending their vacation at the beach, to the effect that he had given an indecent exhibition and otherwise annoyed them. Kramer was arraigned in the police court the next day, where he at first denied the charges, but broke down and confessed after he had been identified by one of the young ladies.

He was fined \$100 by Police Judge H. P. Jenkins and being unable to raise the money, was placed in the city jail to serve 50 days and had served but a few days when the doors of the jail mysteriously opened up and he walked out and came to Albany.

SENATOR DAWSON DIED YESTERDAY

Was Stricken with Apoplexy at His Home Last Saturday Evening at 6 o'Clock.

RELATIVES PRESENT AT BEDSIDE WHEN DEATH CAME

Funeral Services Will Be Held At Family Home Tomorrow Afternoon at 2 o'Clock.

Senator S. A. Dawson of this city, one of the most prominent men in Linn county and well known throughout the state, was stricken with apoplexy at his home in this city at 6 o'clock Saturday evening and died at 4:30 o'clock yesterday morning at the age of 70 years.

Mrs. Dawson and daughter, Mrs. Georgia C. Wilson; M. F. Dawson, a brother, and Prof. E. L. Wilson, a son-in-law, were at the bedside when the end came, having been called to the home when Mr. Dawson was stricken early Saturday evening.

The deceased had been a resident of Linn county for over fifty years and came to Albany to make his home in 1897. He has hundreds of friends in Albany and Linn county, to whom the news of his death came as a shock, he having been down town Saturday morning, greeting his friends in his usual pleasant manner.

Senator Dawson was of a cheery disposition, kind in heart, and always had a pleasant word for everybody and never made an enemy during the fifty long years that he has been a resident of Linn county. In return, his friends were always glad to see him and to converse with him on the various topics of interest.

He was the picture of health, being a man of large stature and strong physique and was seldom ill for any length of time, and had not been ill lately until attacked by apoplexy while sitting in a chair at his home Saturday evening.

The family is grief-stricken over the sudden death of their father and the sympathy of the entire city and county is extended to them in their hour of sorrow.

The funeral services will be held at the family home, 606 S. Baker street, at 2 o'clock tomorrow afternoon and will be conducted by the Masonic lodge of this city, Rev. F. H. Geselbracht of the First Presbyterian church officiating.

Following the services at the home, the funeral cortege will wend its way to the cemetery at Knox Bluff where interment will take place under the auspices of the Masons.

Senator Dawson is survived by his widow, Sarah L. Dawson, to whom he was married in 1873, and one daughter, Mrs. Georgia C. Wilson, both of this city. He is also survived by a brother, M. F. Dawson, of Albany.

He was a member of St. Johns Lodge No. 17, Ancient, Free and Accepted Masons, and Bayley Chapter No. 8, Royal Arch Masons, of this city, and was also a member of Safety Lodge No. 13, Ancient Order of United Workmen, of Albany. He had been a leading member of Harmony Grange, No. 23, near this city, for many years, and was prominent for some time in the State Grange.

Mr. Dawson was born in Marion county, Indiana, December 4, 1841. In 1861 he crossed the plains to Oregon, the party arriving in Albany exactly six months from the day they left Danville, Ill. The family settled on a farm near Albany and Mr. Dawson remained there with his parents for two years, and then spent two years packing and mining in Montana and Idaho.

In 1865 he returned to Linn county and bought a farm near his father's place about five miles southeast of Albany. There he lived continuously until 1897, when he retired from active work after many years' successful farming, and moved to Albany.

Senator Dawson was prominent for many years in the political affairs of Linn county and the entire state and was an active Republican all his life. In 1880 he was elected a representative to the state legislature from this county, and in 1888 was elected state senator from Linn county. He was again elected to the state senate in 1894, serving through four sessions in that body. For several years he was a member of the Linn county republican central committee and was also this county's representative on the state central committee.

Since moving to Albany, Senator Dawson was active in city affairs and served three terms in the city council.

COMMERCIAL CLUB HOLDS MEETING

Additional Appropriation for Federal Building Will Not Be Available Until 1913.

SENATOR CHAMBERLAIN WORKING FOR ALBANY

Advertising Scheme of Sunset Does not Meet with Club's Approval; Other Business.

TUESDAY

The executive board of the Albany Commercial Club met in regular session last night, and the following persons were found present: J. S. Van Winkle, president; F. P. Nutting, vice president; C. H. Stewart, secretary, and the following named directors: H. W. Barker, M. H. Ellis, F. J. Fletcher, L. E. Hamilton, Chas. Stewart, C. E. Sox and D. O. Woodworth. The minutes of the regular meeting of July 1st, were read and approved.

A communication was received from the Pacific Northwest Land Products Show announcing that they would hold an exposition at Portland, under the auspices of the State Horticultural Society, for an entire week beginning on November 18th. The object of this new organization is to expand the scope and proportions of the annual Apple Show, which has heretofore been held by the State Horticultural Society, so as to take in all products of the soil, and they invite all localities of the state to take part in it. On motion it was ordered that the manager of the Albany Apple Fair be advised to take the matter into serious consideration, and, if possible, make the necessary arrangements to award prizes for all products of the soil at their annual fair, instead of for orchard products alone, and then to enter the best of the exhibit at the Portland show.

A communication was also received from the Oregon State Board of Agriculture, advising the club that they had made arrangements for an "Exposition of Eugenics," to be held at the coming State Fair, when prizes would be given for physical perfection in children under four years of age. It was recommended that the commercial clubs of the state give preliminary shows along these lines and that those children receiving prizes locally should be sent to the State Fair for competition. After discussion the matter was referred to the following special committee with instructions to report at the next regular meeting of this club. Dr. M. H. Ellis, F. J. Fletcher and C. E. Sox.

A communication from Senator Chamberlain was read, giving the information that in all probability it would not be possible to secure the special appropriation of \$10,000 for our new postoffice building at the present session of congress, but that it was his opinion it could be secured at the next session without much difficulty. He recommended that no steps be taken towards the erection of the proposed building with the money already appropriated (\$55,000) but to wait for action upon the matter at the next session of congress. The manager was instructed to thank the senator for his hearty support in behalf of the appropriation, and to advise him that the line of action recommended by him for the future met with our approbation and would be followed by our citizens.

Mr. Fred Lockley, representing the Sunset Magazine, presented an advertising scheme for the club, but after thorough discussion it was not accepted. On motion the publicity committee was instructed to prepare a plan for an advertising campaign for the ensuing year, and to report the same at the next regular meeting.

Manager Stewart reported that he had secured from State Game Warden Finley 200,000 trout to be distributed in the South Santiam and its tributaries, to be delivered at any time desired, and he asked that a special committee be appointed to make the necessary arrangements for their distribution. The president appointed the following committee: Chas. H. Stewart, W. G. Ballack and F. P. Tracy.

The matter of an excursion to Eugene at the time of the entry of the Oregon Electric Railway into that city was then taken up, and on motion the committee on excursions was instructed to take this matter into immediate consideration, and, if possible, to report their plans at the next regular meeting.

The following report of the month's business was made by the manager:
