

**DAVENPORT MUSIC STORE
IS REOPENED IN HUB CITY**

Mr. and Mrs. R. L. Burton Secured Temporary Quarters at Third and Lyon Sts.

Mr. and Mrs. R. L. Burton, proprietors of the Davenport music store, formerly located at 402 West First street, have engaged temporary headquarters with Kenton's grocery and confectionery store, Third and Lyon streets, where they are again starting up a music store. They have on display a high grade line of pianos and later intend to add to their stock everything pertaining to a music store, sheet music, small instruments, etc.

Davenport's music store, previous to a year and a half ago, was established here in Albany about eight years. They sold the greatest number of pianos and organs sold here and in adjoining territory. Those thinking of buying a piano would at least do well to call at their store and look over their line, as they handle them direct from the factory, saving the buyer quite a large amount of money. Old customers as well as prospective new ones are invited to call at the Kenton, Third and Lyon streets. Bell phone 263-R. Home phone 41. wJ31

DON'T BE FOOLED!

Perhaps the ailment you are suffering from is not what you think it is. Very frequently people imagine they have kidney disease, pleurisy, the grippe, etc., when their trouble really is rheumatism. It is a peculiar disease and affects so many organs in so many different ways that innumerable times sufferers seek relief by applying some remedy that cannot be effective because it is not designed for the ailment that caused the trouble—rheumatism.

Rexall Rheumatic Tablets are, in our estimation, the very best remedy for the treatment of rheumatism. Composed from ingredients endorsed by successful physicians as the best for the treatment of this peculiar disease—to relieve the pain and fever arising from it—to soothe the nerves and restore health and comfort, they have been so uniformly successful in the many instances in which we have recommended them that we do not hesitate in guaranteeing, in each and every case, that they will give relief and entire satisfaction, or your money back.

Try them at our risk. If you are not gratified with the results—if they do not relieve you from pain and discomfort—if they do not entirely satisfy you in every way, all you have to do is to ask for your money back, and it will be given to you as cheerfully as it was taken from you. Price, 50 cents. Sold in this community only at our store—The Rexall Store.
