Early indiscretions and excesses sooner or later rob a man of vigor and result in a train of symptoms such as Drains, Impotency, Lame Back, Nervousness, Varicocele, etc. The patient oftentimes, however, looks well and strong, his friends saying his complaint is imaginary. They are wrong. They are unjust. I have treated weak men, young and old, single and married, for 30 years, and know what mental torture some suffer. Reader, I wish you would give me a fair chance. I wish you would consider seriously what I am about to say. In the first place, I NEVER USE DRUGS. I couldn't give you medicines for weakness and be honest, because they only stimulate. They don't cure. It seems so strange that people will hesitate to take advantage of a great natural remedy like electricity—a remedy recognized and recommended by scientists the world over. I use it, and cure 95 per cent. I am the inventor of the DR. SANDEN'S ELECTRIC BELT, The great weak man's home self-treatment, with which during the year 1899 I cured over 6000. It gives a current of electricity instantly felt by wearer, and can be made mild or strong by using regulator attachment. Put it on when you go to bed, and wear it over night. Keep this up awhile and live to bless the day you read this advertisement. Drop in at my office and consult me free, or write for my little book, "Three Classes of Men," sent in plain, sealed envelope, free. It explains all. No charge for services. Write or call today. Address Dr. A. T. Sanden Co. Russell Building, Portland, Oregon.
