

VINSON'S ADDITION

SUMPTER

The Golden Mecca of the West.....

The Center of the Wonderful Sumpter District

SUMPTER

Is the acknowledged mining and financial center of the most famous mining district in America.

SUMPTER

Is the most prosperous city on the coast. Situated on a railroad. Has electric lights. Has a complete water system, which furnishes the purest of mountain water.

The only city in the state with paved streets, outside of Portland.

VINSON'S ADDITION

Is but a two minutes walk from the postoffice and contains the choicest business and residence lots.

VINSON'S ADDITION

Business lots, 400 feet from the business center of the city on the main street. The whole addition is situated for electric lights and water service. Situated on stage roads leading to the Cracker Creek, Granite and Red Boy districts.

The entire Vinson Addition is now upon the market under new management and at prices which will astonish all. For prices and information call on or address

North Center Street.
