CAPITAL STOCK
\$150,000

1,000,000 Shares of
Par Value of 15 Cts.
Each.

Fully Paid and Non-
Assessable

PROPERTY: THE COMPANY owns four claims, all adjoining, and a mill site,
being 6000 feet in length by 600 feet wide, and the mill site covers
five acres. The claims are known as Chance, American, Gold Hill
and Grand Prize, and the American mill site. These claims are lo-
cated about five miles west from Sumpter, Baker County, Oregon, and are reached by a good wagon road and
are surrounded by developed properties, such as the famous Ibox, Maiden's Dream, Evening Star, and several
other promising mines. There is ample timber and water on the ground for all mining purposes.

DEVELOPMENT.—Since March, 1900, the company has done over 500 feet of miscellaneous work,
to determine the best method of permanent mining and have reached a depth of over 160 feet, where values
have varied from ten to several hundred dollars per ton, with better than \$15 AVERAGE VALUES.

PLANS FOR THE FUTURE

IT BEING a foregone conclusion from the development already made that the Umpqua group of mines, with proper opening,
can be made one of the dividend payers of Oregon, and that rich ore bodies can be opened up with a reasonable expenditure
of money in a short space of time, and the management being exceedingly anxious to push the development work, by either
drifting or sinking from the end of cross-cut tunnel or by running a cross cut lower down on the creek, (which will be short) then
drift on vein and depth will be gained as work proceeds, and ore will be taken out at all times. In order to raise the money re-
quired for immediate use, the company has decided to place for sale

50,000 SHARES OF THE STOCK AT 3 CENTS PER SHARE

to such persons as may be offered an opportunity to purchase. The right to withdraw the stock from sale without notice is how-
ever reserved by the company.

HOW TO OBTAIN THE STOCK.—Applications for stock of the UMPQUA MINING & MILLING COM-
PANY should be addressed to Secretary W. F. BURLISON, or Treasurer A. P. GOSS, Bank of Sumpter, Sumpter,
Ore. Any person purchasing stock will at all times have access to the mines by making application to the
general manager, and all books and reports of the company will at all times be subject to examination.
