ALL THE YEAR AROUND.

Popularity Gauged by No Particular Season On the R. G. W.

The fact is now established that the most successful railway route, whether you take it in the spring, summer, autumn or winter, is the Rio Grande Western Railway, the only trans-continental line passing through Salt Lake City, that quaint and picturesque city on the shores of America's dead sea.

The climate of Utah and Colorado is temperate the year round, which makes the travel over the Rio Grande Western Railway in connection with either the Denver and Rio Grande or Colorado Midland railroads an unbounded success and delight.

The dining car service is unparalleled. The road operates only the newest of Pullman palace and ordinary sleeping car equipment, as well as free reclining chair cars. For rates, maps, etc., call on or address J. D. Mansfield, 253 Washington street, Portland, Oregon, or George W. Heintz, general passenger agent, Salt Lake City.

Lessons in Lace.

Mrs. Marsh, next door to MINER office, will give practical instructions in lace work. Materials and hundreds of patterns to select from.
