

TALK OF THE TOWN.

Mrs. Ross came up from Baker City today, to visit her mother, Mrs. Tedrowe. Miss Brechtel, who formerly resided here with her father, is visiting friends for a few day.

A. B. Winfree, of Baker City, deputy district attorney, was here on legal business today.

A question of much local interest is when will work be resumed on the brick hotel, but no one hereabouts seems to be able to answer the query.

Eugene Bartholf went to Baker City yesterday with his brother and William Rumery, to get them started off right on their trip to Alaska.

Mr. and Mrs. D. B. Hendricks, of Elgin, Oregon, who have been visiting Mr. and Mrs. Kahler, left for home yesterday. The ladies are sisters.

P. D. Healey returned yesterday from the coast, where he has been for some weeks past. He says that work will soon be resumed and pushed on the Grizzly.

Tom Green, traveling representative of the Spokane Drug company, is here on business today. His house sells nearly all the goods in its line delivered to Sumpter and vicinity.

A. C. Little has rented the Chipp residence, on Columbia street, and will move his family here at an early day. His two sons are already in Sumpter, connected with the Electric Light company.

J. N. VanHorn, who has been working all winter on a group of claims about three miles this side of Granite, passed through town yesterday on his way to Spokane, where a company will be organized to further develop the property.

At the home of the bride's parents last Thursday afternoon Miss Addie Kitchen was married to Wallace Cushman, Rev. D. M. Shannon officiating. Both have many friends in Sumpter who predict and hope for them a long, prosperous and happy married life.

J. N. Hoffman, formerly in business with Mr. Weigel, of the Sumpter bakery, has opened a place of business on Mill street south of the Golden Eagle hotel, for the manufacture of ice cream and confectionery. He will put in a water motor and operate the plant by power, expecting to do the main business of the town in his line.

If the Baker City Democrat could hear the complaints of the crowd waiting at the postoffice for the morning mail, when that paper, with the latest, freshest news from the outside world, does not arrive, it would endeavor to be more regular in reaching its Sumpter subscribers. This forenoon Alderman Griffin was on the war path because he didn't receive his Democrat.

The Mercer drug store is now being conducted by F. R. Walker, representing

the Spokane Drug company, until the legal complications are set aside next Tuesday. In conversation with Mr. Walker, who comes here from the east, it is learned that in all probability he will eventually become a permanent fixture here, taking over the store for himself or a company in which he will be interested. At any rate, the stock of drugs and sundries will be enlarged and made complete in every respect and the business conducted on broader lines than heretofore.

The Capital Hotel is again under the management of Mrs. George B. Tedrowe, which fact guarantees the best of service to all patrons.

The large and commodious club rooms of Dunphy & Gertride are headquarters for mining and commercial men.

Prompt attention to orders for cut flowers and floral pieces. City Green House Baker City, Oregon.

Dunphy & Gertride's Club saloon is the popular resort for mining and commercial men.
