Take Courage

Get out of that old rut which you have been following in dosing and drugging your system for your weakness, all without avail.

Medicines have their use, but not for weaknesses which proceed from an impairment of the nervous system, whether brought about from overwork, early indiscretions or various forms of excesses.

Electricity, however, will help every time, because it not only soothes and quiets the tired or worn-out nerves, but also because it creates a more vigorous circulation of the blood into the weakened spots that need repair.

DR. SANDEN ELECTRIC HERCULEX BELT
